

# HOW WILL GOD FUND YOUR VISION?

By: Fountain Hendricks

Luke 6:38

God encourages us to have a vision to preserve the longevity of our life. Proverbs 29:18 says, "*where there is no vision, the people perish: but he that keepeth the law, happy is he.*" Having a vision gives you the passion, enthusiasm and energy to overcome challenges, obstacles and problems.

While getting a vision does not cost you anything, manifesting it will cost you **EVERYTHING**. When God gives you a vision for you family, church, business, etc that vision will require more than what you currently have. A God given vision will always be bigger than you.

**IF YOU CAN MANIFEST YOUR VISION IN YOUR OWN STRENGTH, GOD NEVER GAVE IT TO YOU.**

The Lord will never give you a vision that does not require His help. His vision is created to include him, **NOT** exclude Him. The first thing people think about when they are attempting to manifest their vision is money.

People usually get discouraged at the vision because they do not have the money to fund it. However, God never said money was a prerequisite for funding the vision. Money is necessary but it is **NOT** the most important thing.

The second thing people think about when they are attempting to manifest their vision is time. People usually get discouraged at the vision because they feel they do not have the time to complete it.

However, God never said that time was a prerequisite for funding the vision. Available time is needed but it is not the most important thing. Besides any other factors you can think of, the most important variable in funding your vision are **RELATIONSHIPS**.

## MEN WILL GIVE UNTO YOU

Luke 6:38 says, *"Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall **MEN** give into your bosom. For with the same measure that ye mete withal it shall be measured to you again."*

Notice in the scripture that God said when you give, **MEN** shall give into your bosom. God uses people as the primary resource to fund your vision. God sends people from all walks of life to help manifest your vision. Manifesting your vision will require more than financial support.

It will require emotional, spiritual and physical support. Every strategic relationship God will send to you will not come with a bag of money. Some people will be sent to your life to encourage and motivate you with uplifting words. This is emotional support.

Their presence will inspire you to keep working your vision. Other relationships will be sent to you as spiritual support, reminding you of righteous ethics, principles and attitudes. Then there will be a group of people who cannot give you money, spiritual insight or encouragement.

However, they can give you a hand (physical help). These types of relationships may not believe in your vision. However, they may believe in **YOU**. In order to manifest your vision you are going to need **ALL** types of relationships.

Every relationship offers something **SPECIAL!** When God sends new people into your life this is His way of funding your vision. Resources come **THROUGH** relationships. God funded Solomon's vision to build the temple through relationships.

The Lord funded Jesus vision to impact the world through relationships. He will fund your vision in the same way,  
**THROUGH RELATIONSHIPS!**
