

HOW TO INHERIT YOUR PROMISE LAND

By: Fountain Hendricks

(Numbers 14:23-24)

The promise land is not the place you fantasized about. It is the place **GOD HAS PREPARED** for you. Your promise land cannot be found on your own. It can only be **GIVEN** to you. The only way to enter your promise land is to **FOLLOW** the person who prepared it.

The promise land is a place that is strategically designed to fit your lifestyle. The promise land is a place of **REST**, **PEACE** and **PROSPERITY**. The promise land is not your retirement. It is your **DESTINY**.

The difference between your retirement and destiny is very simple. **YOU** plan your retirement. **GOD** planned your destiny.

Your destiny was **PREDETERMINED** before you were conceived. Matthew 6:8 says, "*do not be like them, for your Father knows what you need before you ask him.*" God knows how much money you need to enjoy your promise land.

God knows who you need to be with to be happy in your promise land. God knows what you need in order to remain in your promise land. God does **NOT** need you to create your promise land.

He needs you to make plans to fulfill your destiny. Remember this wisdom key. **YOU MUST PLAN TO RECEIVE WHAT GOD CREATED FOR YOU.** Make plans for God's provision. Make plans for God's peace. Make plans for God's purpose.

PLANNING FOR YOUR PROMISE LAND

You may be thinking, how do I plan for my promise land? You plan per **EVERY** divine instruction given to you by the

Holy Spirit. For example, if the Holy Spirit told you to rest, make plans to accommodate His instruction. Go to a spa. Turn on soothing music. Get a massage. Make plans to fulfill the instruction.

If the Holy Spirit instructed you to start investing start budgeting your finances and organizing your time. By doing this, you will have the money to invest and the time to study lucrative investment opportunities.

FULFILLING every divine instruction is taking you one step closer to fulfilling your destiny. It does not matter how small or great the instruction is. Fulfilling **EVERY** divine instruction takes you closer to your destiny.

HERE'S HOW TO INHERIT YOUR PROMISE LAND

Numbers 14:23-24

There is one thing you need to do to inherit your promise land. You must **THINK DIFFERENTLY**. It's that simple.

However, this simple thing is very difficult to do. Out of millions of Israelites whom God wanted to bring into the promise land, He only allowed Joshua and Caleb to posses the land.

The **ENTIRE** tribe of Israel witnessed the miracles, signs and wonders of the Lord. With all the things they saw **ONLY** two people had the ability to change their mentality.

The ratio between the people who died in the wilderness compared to the people who inherited the promise land is drastic. This notion helps us to understand how hard it is for people to **THINK DIFFERENTLY**.

WHAT DOES IT MEAN TO THINK DIFFERENTLY?

Thinking differently means to hear, speak, see and behave **CONTRARY** to the world. If your actions mirror the world's standards you are **NOT** thinking differently. If you speak the same language as the world you are **NOT**

thinking differently. If you are making decisions based on what you see rather than your faith you are **NOT** thinking differently.

When the Holy Spirit gives you an instruction it will force you to trust what is **UNCOMMON, DIFFERENT** and **UNIQUE** because He is uncommon, different and unique. The Holy Spirit's instructions will not make rational sense.

If you can allow your mind to obey what is **UNCONVENTIONAL** God will bless you with what is supernatural. God allowed Joshua and Caleb to inherit the promise land because they did everything contrary to their culture.

Are you willing to do what is taboo to receive what God promised you? It is easy to follow the crowd. However, it is hard to walk alone. Are you going to think differently? Only the people who have **CHOSEN TO THINK DIFFERENTLY** will inherit their promise land.
