

# THE PRINCIPLE OF UNITY

By: Fountain Hendricks

(Genesis 11:1-6)

When a group of people are unified, nothing can stop them. Unity generates power. When a group of people are willing to come together under the umbrella of **AGREEMENT**, they will benefit from the rewards of this principle.

In order to manifest the benefits of this principle, you **DO NOT** need a multitude of people to agree. If you can find **TWO** or **THREE** people to **AGREE** with you, the principle of unity will work in your favor.

**WHEN YOU ARE UNIFIED, YOU CAN  
ACHIEVE ANYTHING!**

In order for a group of people to come into agreement, everyone must stand on the **SAME FOUNDATION**. It is

not required for everyone to have the same perspective. However, it is required for everyone to have the **SAME VISION**.

Amos 3:3 says, "*Can two walk together except they be agreed?*" In order for two people to walk together they must be focused on the **SAME** vision, wanting to achieve the **SAME** goal and moving in the **SAME** direction. Walking in agreement does not mean everyone needs to think alike.

Connecting with people who have the **SAME** vision, yet use **DIFFERENT** methods, strengthens the power of agreement; not weaken it. Doing the same thing in different ways is what strengthens unified organizations.

Every successful nation and organization that have achieved something great were unified in their vision while embracing different approaches. The most evil and corrupt organizations have attained massive power

because they understood the principle of unity. Street gangs do not uphold Godly values.

However, they built their organizations on **THIS** Godly principle. The core foundation of gang culture is unity. Every person who joins a gang adopts the **SAME VISION** as the organization. Gangs did not become powerful because they did the right thing.

Gangs became powerful because they **STOOD** on the right thing. Unity! The **KKK** (Klu Klux Klan) did not uphold Godly values. However, they were able to establish their racist agenda in the 1920's because they were unified.

The members of the **KKK** were all focused on the **SAME VISION**, white supremacy. The Nazi regimen, led by Adolf Hitler, did not uphold Godly principles. The primary reason why the Nazis were able to grow in power and dominate Germany was because they were unified.

All of the Nazis had the **SAME VISION**, which was to destroy the Jews. **AN EVIL AGENDA THAT IS UNIFIED WILL ALWAYS DEFEAT A RIGHTEOUS AGENDA THAT IS DIVIDED**. The **LGBTQ** community has become more powerful than the Christian church.

The **LGBTQ** community promotes immorality, pride, idolatry and wickedness. Yet, they have been able to control politics, media, education and the legal system in America. They understood how to utilize the principle of unity.

The Hip Hop community has become the most powerful music genre in this current era. This community promotes greed, selfishness and idealistic views. The Hip Hop community has more influence over young people than their parents. Most Hip Hop artists **UNITE** under the same vision, selfishness!

# BUILD YOUR OWN NATION

Genesis 11:1-7

Herein are plenty of examples which **PROVES** that **ANY** group of people can become powerful when they are united. In Genesis 11:1 the Bible tells us that the whole world spoke **ONE** language and everyone used the **SAME** words. These people were **NOT** led by God. They were **NOT** inspired by His Spirit.

They understood they could do more together than individually. Under the spirit of unity, these people decided to build a nation on their own, **WITHOUT** God. These people were **SUCCESSFUL** in building their nation **WITHOUT** God. Genesis 11:3-5 gives us a vivid picture of what these people did under the spirit of unity.

Verses 3-5 says, *"They said to each other, "Let's make bricks and bake them to make them hard." So they used bricks instead of stones, and tar instead of mortar. Then they said to each other, "Let's build a city and a tower for ourselves,*

*whose top will reach high into the sky. We will become famous.*

*Then we will not be scattered over all the earth.” The Lord came down to see the city and the tower that the people had built. The Lord said, “Now, these people are **UNITED**, all speaking the same language. This is only the beginning of what they will do. They will be able to do anything they want.”*

There is no reason why you cannot build your own economy within your family. There is no reason why you cannot do the impossible with your friends. There is no reason why your church cannot change their community. If you can find two or three people to agree with your vision, **ANYTHING IS POSSIBLE!**
