

HOW TO ATTRACT A HUSBAND

By: Fountain Hendricks

Proverbs 31:10

The job of a woman who has a desire to be married is **NOT** to look for a husband but to attract a husband. Attracting a husband is different from attracting a man. A man is attracted to a woman's flesh.

A husband is attracted to a woman's spirit. In order for a man to step into the role of a husband he must cross the bridge of commitment. Ladies, if you have a desire to be married you must remember this Wisdom key.

A MAN WHO WANTS TO BE A HUSBAND WILL NOT COMMIT TO A WOMAN'S FLESH. HE WILL ONLY COMMIT TO HER SPIRIT.

Most women are very good at attracting men. However, they are incapable of attracting a husband. Most women

focus on glorifying their flesh instead of purifying their spirit.

For example, many women will spend hundreds of dollars on clothing, attempting to look their best while not spending any time adjusting and correcting their nasty attitude. In order to attract a husband you must change your mindset and disposition.

Remember,

**MEN ARE ATTRACTED TO THE FLESH. HUSBANDS
ARE ATTRACTED TO THE SPIRIT.**

WHAT IS A VIRTUOUS WOMAN?

**Ladies, if you want your man to become your husband
you have to become a virtuous woman.**

Men are attracted to women, husbands are attracted to **VIRTUOUS** women. The difference between men and husbands is their **MINDSET**.

Here's what I mean:

- A man wants to be with a woman.
- A husband wants to take care of a woman.
- A man wants to please a woman
- A husband wants to be in-love with a woman.
- A man wants to help a woman.
- A husband wants to serve a woman.

Men who have the **MENTALITY** of a husband are not going to give their pearls to swine. They are going to give their pearls to a woman of **VIRTUE**! A virtuous woman is a woman who stands on righteous principles. She believes in doing what is morally right.

She defends what is righteous. She speaks against what is wrong. Virtuous women have the fragrance of **EXCELLENCE**. Ladies, when you have a spirit of excellence resting on you, you will **ATTRACT** a husband because men who have the mentality of a husband are looking for excellence.

EXCELLENCE IS NOT PERFECTION, EXCELLENCE IS EXCEPTIONAL!

(When a man sees you as being rare, he sees a virtuous
woman!)

Ladies, when you can separate yourself away from the crowd, when you can learn how to be different from every other woman you will become a **RARE** treasure in the eyes of your potential husband. The scripture makes it very clear in Proverbs 31:10. A virtuous woman is **HARD** to find.

“WHEN A MAN FINDS A WOMAN WHO IS **RARE** HE
HAS FOUND HIS WIFE”. - F.H

HOW TO CLOTHE YOURSELF IN VIRTUE

Here are some tips to help you attract a husband.

- **BE A WOMAN OF INTEGRITY:** Proverbs 31:11 says, *"her husband will TRUST her completely."* Ladies, when you have the **INTEGRITY** to do what you say consistently the fragrance of virtue will protrude from you.
- **BE AN ASSET:** Proverbs 31:12 says, *"She does him good and not harm."* Ladies, when you are able to **ADD** value to a man's life the fragrance of virtue will protrude from you.
- **DO NOT BE LAZY:** Proverbs 31:13 says, *"She looks for wool and flax and LIKES TO WORK with her hands."* Ladies, when you are productive, you generate an attractiveness that is contagious to men. Men are attracted to progress. Being productive will cause the fragrance of virtue to protrude from you.
- **DO NOT BE SELFISH:** Proverbs 31:15 says, *"She gets up while it is still dark and prepares food for her family*

and feeds her servant girls." Ladies, when you are **SELFLESS** your fragrance of virtue will not be ignored.

- **BE ASSERTIVE:** Proverbs 31:16 says, "*She inspects a field and buys it, with money she earned, she plants a vineyard.*" Being assertive reveals the **CONTENT OF YOUR INTELLIGENCE**. The quality of your intelligence represents the value of your virtue.
- **BE CONFIDENT:** Proverbs 31:18 says, "*She KNOWS that what she makes is good.*" A woman of virtue is **CONFIDENT**, not cocky. It is **ADMIRABLE** to see a woman who is confident in her own skin. This confidence exudes a fragrance that speaks of righteous virtue.
- **BE RESOURCEFUL:** Proverbs 31:19 says, "*She makes thread with her hands and weaves her OWN clothes.*" Ladies, when you are resourceful you show how brilliant you are. There is nothing more attractive than to encounter a woman with brains and beauty.

- **BE GENEROUS:** Proverbs 31:20 says, "*She welcomes the poor and helps the needy.*" Ladies, when you are generous you magnify a key component of what a wife looks like because generosity is a fragrance that will attract an open heart.
- **THINK AHEAD:** Proverbs 31:21 says, "*She does not worry about her family when it snows, because they all have fine clothes to keep them warm.*" Ladies, when you are proactive and prepared to handle the issues of life your righteous virtue will speak volumes.
- **MANAGE YOUR CHARACTER:** Proverbs 31:25 says, "*She is strong and respected by the people. She looks forward to the future with joy.*" Ladies, when you are well respected by people your virtue will be magnified exponentially. When a woman is not respected it will be very difficult for her to attract a husband.
- **CONTROL YOUR TONGUE:** Proverbs 31:26 says, "*She speaks wise words and teaches others to be kind.*" When a

woman talks foolishly she makes herself unappealing. Speaking wise words will attract compliments.

- **PROMOTE KINDNESS:** Proverbs 31:26 says, "*She speaks wise words and teaches others to be kind.*" A virtuous woman is kind. She does not have an attitude and she is not condescending. She is an example of humility and gentleness. Her virtue makes her more attractive and approachable.
- **DO NOT WASTE TIME:** Proverbs 31:27 says, "*She watches over her family and never waste time.*" A virtuous woman honors time. She understands that it is the most important asset we have. A virtuous woman does not procrastinate.
- **RESPECT THE LORD:** Proverbs 31:30 says, "*Charm can fool you and beauty can trick you, but a woman who respects the Lord should be praised.*" A woman that honors the Lord will **ATTRACT** a husband who honors

the Lord. When you put God first, God will send a man who will put you first.
