

HOW TO IDENTIFY THE RIGHT PEOPLE

By: Fountain Hendricks

Genesis 2:15-18

Identifying the right people can be a complicated task. Every person you encounter may not be right for every situation. For instance, the right person to do business with may not be the right person to have an intimate relationship with.

You may think you know how to pick out the right people, however, in actuality you do not know. You do not know yourself as well as you may think. You are forever **EVOLVING, CHANGING**, and **LEARNING**.

As you continue to grow you will learn more about yourself. For example, most people believe they need money to make their dream come true when in reality they need wisdom. Wisdom can show you how to use the

resources you **CURRENTLY** have in order to manifest the dream you envision.

EVERY PROBLEM YOU HAVE IN LIFE IS FROM A LACK OF WISDOM!

The Wisdom behind connecting with the right people is realizing that you **CANNOT FIND** the right people. They are **IDENTIFIED**. People make the mistake in searching for the right person rather than trying to identify them.

In order to identify the right person you have to recognize them. In order to recognize them you must have knowledge of them and that knowledge only comes from God. Unfortunately, many people do not connect with the right individuals because they do not have the **DIVINE** knowledge to recognize them.

THE RIGHT PEOPLE ARE DRAWN TO YOU!

Genesis 2:15 - 18

LIFE CHANGING PRINCIPAL: The right people will always be drawn to you when you are **BUSY** doing the Lord's work. The wrong people will be drawn to you when you are busy doing **NOTHING** or doing your **OWN** work.

Doing the Lord's work involves preaching and teaching. However, the Lord's work is expressed in many ways. Here are some examples:

- Encouraging a friend when they are feeling depressed is the Lord's work.
- Helping someone during a troubling time is the Lord's work.
- Studying the Word of God is the Lord's work.
- Being faithful and dutiful over what God has given you is the Lord's work.

- Taking care of a sick family member is the Lord's work.
- Assisting the Man or Woman of God to complete their assignment is the Lord's work.

In Genesis 2:15-18 Adam was **BUSY** doing what God told him to do. **AS HE WAS WORKING**, God created the right person for Him. You do not have to search for the right people. When you are busy doing God's work the right people will be drawn to you.

The right people will come to give to you **BEFORE** they take from you. The right people will give their time to you **BEFORE** they take time from you. The right people will extend their hand to you **BEFORE** you extend your hand to them.

Our only responsibility is to stay **FOCUS** on what God told us to do. If we stay **FOCUS** on His agenda the right opportunities will be drawn to us. While Adam was

FOCUSED on God's work, he received something he **NEVER** asked for. He received someone he did not even know he needed at the time.

God knows who you need at different stages of your life.

You will never discover the right people until you are **OCCUPIED** doing the Lord's work. If you allow the enemy to break your focus, you will give him the opportunity to send the wrong people to occupy the seat that is ordained for the right people.

Here are 5 reasons why the wrong people are drawn to you.

- 1) The wrong people are drawn to you because you are **NOT** productive. The right people are attracted to productivity.

- 2) The wrong people are drawn to you because you are living **OUTSIDE** of God's will. Anything outside of God's will is negative.
- 3) The wrong people are drawn to you because you are living in **SIN**. Nothing righteous comes from sin.
- 4) The wrong people are drawn to you because your mentality is **DISTORTED**. Like minds think alike. Evil mentalities attract evil people, deceptive mentalities attract deceptive people.
- 5) The wrong people are drawn to you because you **REFUSE** to submit to God. When you refuse to submit to God He cannot cover you. When you are not covered by God the enemy has the opportunity to surround you with the wrong people.
