

# EVERYBODY IS SENT

By: Fountain Hendricks

(Exodus 3:7) (Judges 16:4-5)

No one arrives in your life on their own accord. They were either sent by God or the devil. When a person is sent by God they will **ALIGN THEMSELVES WITH YOUR GOD GIVEN PURPOSE**. When a person is sent by the devil they will **DESTROY YOUR PURPOSE**.

The person that is sent by God will pull you **CLOSER** to Him. The person that is sent by the devil will pull you **AWAY** from God. There is a huge difference between someone being good to you and right for you. People who are **GOOD** to you will **PLEASE** you.

People who are **RIGHT** for you will **CORRECT** you. Please keep this in mind. Do not pay attention to what a person says. Pay attention to what they do. People who are good to you will tell you what you **WANT** to hear.

People who are right for you will tell you what you **NEED** to do.

## WISDOM NOTE

When a person pulls you **AWAY** from God...

- Your prayer life will decrease.
- Your study life will decrease.
- Your faith will weaken.
- Your ability to hear the Holy Spirit will be distorted.
- You will become immune to sinning.
- You will not feel the weight of conviction.
- You will lose your passion for the things of God.
- You will start relying on your intellect to make decisions.

When a person pulls you **CLOSER** to God...

- Your Faith will increase.
- You will become wiser.
- Your study life will increase.
- You will become prosperous.
- You will walk in your purpose.

- You will maximize your God-given potential.

WHEN GOD SENDS SOMEONE INTO YOUR LIFE  
YOU WILL PROSPER IN EVERYTHING YOU DO.

### WHAT IS YOUR RESPONSIBILITY?

People will come and go throughout your life. However, some people are **MEANT** to **DISTRACT** you while others are **MEANT** to **BLESS** you. Your responsibility is to **DISCERN** the motive of each individual.

If you do not **DISCERN** the motive of every individual that enters your life you will easily be misled. Unfortunately, many people have wasted years of their life because they were unable to **RECOGNIZE** the right people.

### WILL GOD SEND A DEVIL?

(2nd Corinthians 12:1-10)

The answer to this question is very compelling, yet confusing. God **WILL** send a devil. You may be thinking, why would God send a devil to one of His children? Sometimes a devil can **MOTIVATE** you to move in your purpose when you are refusing to listen to the counsel of the Lord.

### Here's what I mean:

History has shown us how people pray **LESS** when God blesses them. However, when they are under attack they pray **MORE**. A devil can motivate you to do what is right. As weird as this sounds, the truth remains.

The Lord will use unconventional methods to move you into your God given purpose. Remember, **EVERYONE IS SENT. HOWEVER, YOU MUST DISCERN WHO SENT THEM!**
