

# HOW DOES THE KINGDOM OF GOD SUFFER VIOLENCE?

By: Fountain Hendricks

(Matthew 11:12)

Matthew 11:12 has **NOTHING** to do with the devil. Ninety five percent of Christians believe that this scripture is about spiritual warfare. This scripture has **NOTHING** to do with spiritual warfare. Matthew 11:12 is about **LAWLESSNESS**.

Matthew 11:12 says, "*And from the days of John the Baptist until now the Kingdom of heaven suffers violence, and the violent take it by force.*" The Kingdom of God suffers violence when its **LAWS** have been used for the purpose of evilness, wickedness and selfishness.

The Kingdom of God has suffered violence since the beginning of time. The Kingdom of God is a royal country that is governed by King Jesus. You may be thinking, how can a country governed by King Jesus suffer violence?

It is **NOT** possible to harm King Jesus but it is possible to **ABUSE HIS PROSPERITY PRINCIPLES**. When God's prosperity principles are used against His divine purpose His Kingdom suffers because it is **ROBBED OF IT'S GLORY**.

## GOD'S PROSPERITY PRINCIPLES

Matthew 11:12 says, "*The Kingdom of heaven suffers VIOLENCE*." The word violence in this context of scripture does not mean murder or abusive physicality. According to the Greek dialect the word violence means to **SEIZE**.

According to the dictionary the word seize is defined as taking **POSSESSION** of something by force. It also means to mentally understand a concept, philosophy or idea. Think about it.

The Kingdom of God is the **WEALTHIEST** country that has ever existed because it is built on the prosperity principles of King Jesus. All throughout world history evil

men, wicked organizations, sinful businesses and demonic empires have become powerful and prosperous entities **WITHOUT** King Jesus.

The reason Adolf Hitler was able to build the Nazi nation as an evil empire in the 1930's was because he **SNATCHED** the prosperity principles of the Kingdom of God. This man used God's divine principles for his own evil purpose.

Adolf Hitler **SEIZED** a Kingdom principle that empowered him to achieve his goal even though it was evil. He snatched and abused the Kingdom Principle of **UNITY**.

### WHAT IS THE PRINCIPLE OF UNITY?

When a group of people are unified they can achieve  
anything!

(Genesis 11:6)

# GOD IS LOYAL TO HIS OWN WORD

Isaiah 55:11

Since God is loyal to His own word, He is **OBLIGATED** to fulfill it. God is not a man that He should lie. If God says something it will happen. King Jesus must honor His prosperity principles in order to keep His integrity.

From the beginning of time sinners have **EXTRACTED** the prosperity principles of the Kingdom of God and used them for their personal gain. The Kingdom of God has suffered violence for centuries.

**SINNERS HAVE TAKEN AND APPLIED GOD'S  
PROSPERITY PRINCIPLES TO BUILD THEIR EMPIRE  
WHILE REFUSING TO GIVE HIM THE GLORY.**

When people take advantage of God's integrity the Kingdom of God suffers violence. Please keep this in mind. When people abuse God's principles, God **STILL**

honors **HIS** principles. Let me give you an example to help you understand this concept.

### **THE PROSPERITY PRINCIPLE OF HARDWORK:**

Proverbs 12:24 says, "*Hardworkers will become leaders but those who are lazy will be slaves.*" The **LGBTQ** community works very hard to spread their agenda across America. The **LGBTQ** community understands that hard work will cause their agenda to be the leading influence in the world.

God honored His word even though these people abused His prosperity principle. The **LGBTQ** community agenda is in every **LEADING** sector in the world. Their agenda has infiltrated our political, educational, entertainment and legal system.

### **TAKE IT BACK**

Matthew 11:12 declares that the violent takes the Kingdom of God by force. Once again, this has nothing to

do with inflicting pain. According to the Greek dialect the word “*violent*” is defined as an **ENERGETIC FORCER**. An energetic forcer is someone who is powerful in action.

These people study the **LAWS** of God to equip themselves with the tools to take the glory of the Kingdom **BACK** to King Jesus. These people will **NOT SEIZE** the prosperity principle of hard-work. They will utilize this prosperity principle to highlight the Kingdom of God.

These people will **NOT** work hard to promote their own agenda. They will work hard to spread the Gospel of Jesus Christ, build hospitals, schools, open banks promote holiness, become righteous politicians and much more.

These people will shine their light **TOWARD** the Kingdom of God and not themselves. There is a war between the lawless and the lawful. People who are **LAWLESS** are taking King Jesus prosperity principles **OUT** of the

Kingdom of God and bringing them into the world.  
Kingdom citizens are taking King Jesus prosperity principles **BACK** to the Kingdom of God.

Why do you think the wealth of the sinner is laid up for the righteous according to Proverbs 13:22? God is waiting on **YOU** to **LEARN** His prosperity principles so you can take back the wealth that the sinners seized from the Kingdom of God.

The war that the Kingdom of God suffers from is not of money and spirituality. It is a war based on the Kingdom's prosperity principles.
