

KINGDOM HEALING

By: Fountain Hendricks

(Matthew 10:1)

The philosophy of healing in the Kingdom of God is unlike the methods of the world. There is a major difference between the Kingdom healing system and the world's healing system. God's healing system is based on **FAITH**.

The world's healing system is based on **MEDICATION**. One of the greatest fallacies that has been taught to us is that the world's healing system can actually heal you. This statement is one of the biggest lies we have ever been told. In order to discern the difference between the two systems you must accept this foundational truth.

**“THE KINGDOM SYSTEM OF HEALING CURES YOU.
THE WORLD’S SYSTEM OF HEALING TREATS
YOU.”**

Every time Jesus healed someone in the Bible they were **CURED** from their illness. Can you say the same thing about medication? Every time Jesus healed someone they never had to worry about the symptoms of their illness returning.

Can you say this about medication? The purpose of taking medication is not to cure you of your pain, but to provide you with temporary relief. Please keep this in mind. The primary goal of prescribing medication is to **TREAT** an illness, **NOT** cure it.

Think about it. If the purpose of medication was to cure pain the pharmaceutical industry would not be generating billions of dollars per year. The pharmaceutical industry profits from **REPETITION**.

If they can provide you with temporary relief you will be hungry for **MORE** medication. This cycle of **REPETITION** is not meant to cure you, it's meant to increase their revenue.

Jesus knew the intentions of the world. This is why He **DID NOT** utilized the methods of the world. Jesus is **NOT** trying to profit off of your illness. He wants you to be cured of your illness so you can be active in His kingdom.

3rd John 1:2 says, "*Beloved, I wish above all things that thou mayest prosper and be in HEALTH, even as thy soul prospereth.*" The Kingdom system of healing is only focused on restoring your health while the world's system of healing is focused on making money.

WHAT SYSTEM ARE YOU TRUSTING IN?

(Mark 5:25-29)

Are you trusting in the system of pharmaceutical medication or are you trusting in the system of Kingdom healing? The woman with the issue of blood tried both systems and got two different results. Like most people,

the woman with the issue of blood trusted the system of the world first.

She put her faith in doctors and medication, hoping to be cured from her disease. Mark 5:26 says, "*She suffered very much from many doctors and had spent all the money she had, but instead of improving, she was getting worse.*" This sickly woman trusted the system of pharmaceutical medication and the world's system made her worse.

Does this sound familiar? How many people have trusted this system and ended up in a worse state than when they started? Billions of people have suffered from this because they have put their trust into a system that has no intention of curing them.

When this woman decided to trust the Kingdom system of healing her disease was **NOT** treated, it was **CURED**.

When the woman with the issue of blood heard about Jesus she decided to unlock her faith instead of her pocketbook.

In Mark 5:28 the woman with the issue of blood said, "*If I may touch but his clothes, I shall be whole.*" When she decided to utilize her **FAITH** and rely on the Kingdom system of healing her bleeding instantly stopped and her body was healed from her disease according to verse 29.

HAVE YOU EVER ASKED YOURSELF THESE QUESTIONS?

- Why do people trust pharmaceutical medications **BEFORE** the healing power of King Jesus? Hasn't time proven to us that medication does not heal people?
- Why are more people willing to utilize their money **BEFORE** they lean on their faith? Hasn't time proven to us that money does not cure diseases or restore a person's health?
- Why are people content with receiving **TEMPORARY** relief instead of being cured? Hasn't time proven to us

that temporary relief does not increase your health condition?

“DO NOT ALLOW YOUR INTELLIGENCE TO MAKE
YOU FOOLISH.”

(King Jesus gave you power, not a pill!)

HOW CAN I BENEFIT FROM THE KINGDOM SYSTEM OF HEALING?

(Matthew 10:1)

First of all, you must be a Kingdom citizen. Kingdom citizens are not Christians. *(For more info on this topic please read the teaching called, “The difference between the Kingdom of God and Christianity.”)*

The scripture says that Jesus gave power to His twelve **DISCIPLES** to heal **ALL** manner of sickness and disease. The word “*disciple*” in the Greek dialect means **LEARNERS**. What did the twelve disciples learn? They

learned about the Kingdom of God because it is the only message Jesus preached.

The principles and concepts that these disciples learned enabled them to carry the power to **CURE** sickness and disease. This type of power is **NOT** released to random people who have an affection for Jesus.

It is given to people who have disciplined themselves to learn about the concepts, principles, laws, culture, government and rights of the Kingdom of God. The power to cure sickness and disease is **NOT** given out of inheritance, it is given out of **TRUST**.

When God can trust you with the Kingdom, He will trust you with His power. The world's healing system does not have a way to cure terminal illnesses such as cancer, aids, etc. People have donated millions of dollars into research to find a cure but every attempt has been unsuccessful thus far.

Remember, the purpose of pharmaceutical medication is not to cure but treat illnesses. The world will **NEVER** find a cure for cancer and other diseases similar to it yet the Kingdom of God has a cure for terminal illnesses. You may be thinking, how can this be proven?

In Matthew 10:1 Jesus said that He gave power to the disciples to heal **ALL** sickness and disease. In the Greek dialect the word sickness is defined as a **MALADY**. A malady is defined as any disorder or disease of the body, especially one that is chronic.

A chronic illness cannot be prevented by vaccines or cured by medication, nor do they disappear. Conditions that are considered to be chronic diseases are cancer, heart disease, type two diabetes, arthritis, etc. Jesus gave the disciples power over every malady!

What the world's healing system **CANNOT** cure, the **KINGDOM OF GOD CAN CURE**. The Kingdom of God's healing system is based on faith. If you do not know how

to exercise your faith you will not know how to benefit from the Kingdom healing system. I encourage you to practice exercising your faith. Start small.

When you have a headache, do not be quick to pop a pill. **DEPEND ON YOUR FAITH** in King Jesus to eradicate the headache. If your body is soar, don't be quick to pop a pill. Exercise your faith and depend on King Jesus to remove the pain.

THREE WAYS TO EXERCISE YOUR FAITH

- **PRAY** over your pain.
- **LISTEN** to the **INSTRUCTIONS** of the Holy Spirit.
Every Kingdom healing is locked in your willingness to comply with the Holy Spirit's instruction.

- **OBEY** the divine instruction and trust God for the result.
