

# THE ATTRACTION OF THE KINGDOM OF GOD

By: Fountain Hendricks

(Matthew 6:33)

If you are in the Kingdom of God you will not have to chase things, **THINGS WILL CHASE YOU**. It is very hard for people to understand this concept because the world teaches us to chase everything we want.

In order to understand how the Kingdom of God attracts things to you, your mind must be aligned with the culture, principles and concepts of the Kingdom of God.

When your mind has been renewed to the systematic structure of the Kingdom you will **NOT** become exhausted chasing things. You will become happy because things will chase you.

## THE WORLD HAS DECEIVED YOU!

The world has taught you to go and get what you want. The world has taught you to hustle for what you need. However, this method of living has put many people in heart failure. In addition to heart failure it has caused massive health problems and added enormous stress to people lives.

The world has taught us that no one will give you anything, which holds some merit of truth. However, they **DID NOT** mention to you that God will give your everything. The world's system has held our mind in captivity.

It has persuaded us to believe that life is complicated, difficult and grueling. Our Heavenly Father **DID NOT** intend for our lives to be complicated, difficult and grueling. He wanted our lives to be simple and joyful.

If an individual **CHOOSES** to remain in the world's system their life will be complicated, difficult and grueling. King Jesus provided us with another option, the Kingdom of God.

The world has deceived us into thinking that the **ONLY** way to get ahead in life is to pursue what you want and hustle for what you need. You do not have to submit yourself to this idea of living. King Jesus gave you a way out!

### A NEW WAY

(Matthew 6:33)

It is possible to live an easy, simple and fulfilled life. Matthew 6:33 shows us that this is possible. The scripture says, "But seek ye first the Kingdom of God, and his righteousness; and all these **THINGS** shall be added unto you."

The systematic structure of the Kingdom of God teaches us that if we focus on the Kingdom of God and His righteousness **FIRST**, everything that we want and need will **CHASE US**. King Jesus is telling us that if we focus on **ONE** thing, He will **GIVE** us **MANY** things.

IN THE KINGDOM, THINGS ARE  
ATTRACTED TO YOU!

The opportunities you are hoping to receive will **FIND YOU** when you seek the Kingdom of God **FIRST**. The blessings that you desire to have will **FIND YOU** when you seek the Kingdom of God **FIRST**. The goodness that the world stresses over will **FIND YOU** when you seek the Kingdom of God **FIRST**.

The peace that the world craves for will **FIND YOU** when you seek the Kingdom of God **FIRST**. The prosperity that the world chases after will **FIND YOU** when you seek the Kingdom of God **FIRST**. Everything that the world

pursues will pursue you when you seek the Kingdom of God **FIRST**.

Can you imagine how easy life will be when you become a **MAGNET** for goodness? When you become a magnet for goodness you will live longer, smile more and look younger. Everyone desires to live their life in this way.

Unfortunately, many will not experience living this type of life because they **REFUSE** to submit to the voice of the Holy Spirit. Matthew 7:13 declares that many people will **NOT** find the Kingdom of God but I hope this does not apply to you.

Many people have shortened their life span because they were occupied chasing things while **NEGLECTING** God in the process. Ingratiate yourself with the Kingdom of God. Become **OBSESSED** with the Kingdom of God.

Put the Kingdom of God **FIRST** so you can live better than other people, do what other people cannot do and

enjoy what other people are unable to enjoy. When you focus on the Kingdom of God, God will **MAKE** everything else focus on you.
