

WHAT IS THE KINGDOM ECONOMY?

(How does it work?)

By: Fountain Hendricks

(Genesis 2:8-15)

The Kingdom of God is a commonwealth economy. In the Kingdom of God poverty **DOES NOT** exist. Classism **DOES NOT** exist. Everyone who pays their Kingdom taxes (tithe) eats from the Kings table.

This type of economy is foreign to many people because they have primarily been taught capitalism. Capitalism is the backbone of the world's economy. As great as commonwealth sounds it is hard for people to understand the **SIMPLICITY** of it.

The system of capitalism has caused people to be greedy, selfish, manipulative and deceptive. The economic system of capitalism **CANNOT** work without **TWO** elements,

IGNORANCE and **POVERTY**. The economic system of capitalism teaches people to **CAPITALIZE** on the ignorance, desperation and needs of other people.

This economic system divides people. It creates conflict and inspires violence. In order for capitalism to work, there must be winners and losers. When people see themselves on the losing end of an economy they become tempted to do wrongful acts for the right reason.

The spirit of capitalism has inspired many people to **STRAY** away from their Godly heritage, values and morals. In a capitalistic society no one gives you anything. You must take everything. It becomes difficult to be an honorable steward in a capitalistic society.

In order to gain financial wealth in a capitalistic economy you must be willing to stray away from Kingdom values and conform to the world's standards. Jesus told us in Romans 12:2, "**BE NOT CONFORMED** to this world: but be ye transformed by the renewing of your mind, that ye may

prove what is good, and acceptable, and the perfect will of God."

King Jesus **NEVER** wanted us to be involved in the economic system of capitalism. He never instructed us to be a capitalist. This is why He brought the Kingdom of God to the earth.

He wanted us to be separated from the world. When a person chooses to participate in capitalism they are preventing themselves from benefitting from the Kingdom economy.

**YOU CANNOT CONFORM TO THE WORLD
AND BE TRANSFORMED BY THE KINGDOM AT
THE SAME TIME.**

Which system will you choose?

CAN YOU WIN BEING A CAPITALIST?

Yes. You can win as a capitalist. However, it is a gamble. A capitalistic society is merely a playground for extreme competition. You may win or you may lose, but do you want to **GAMBLE** with your future?

Do you want to rely on the world to take care of you? King Jesus provided us with another alternative. A **GUARANTEED** way for you to win. When King Jesus brought the Kingdom of God to earth, He also brought the **KINGDOM ECONOMY** with Him.

HOW DOES THE KINGDOM ECONOMY WORK?

(Genesis 2:8-15)

Understanding the Kingdom's economy is very simple! It can be defined as one word...**ACCESS**. When you are a participant in King Jesus economy you will have access to

ALL of His wealth and resources. You will have **ACCESS** to supernatural provision. You will have **ACCESS** to divine healing.

You will have **ACCESS** to walk in spiritual authority. You will have **ACCESS** to the throne of God. You will have **ACCESS** to divine opportunities. You will have **ACCESS** to divine protection.

You will have **ACCESS** to divine health. In God's economy you **DO NOT** own anything. You are **ALLOWED** to rule everything. It is very important for you to understand what the Lord **GAVE** Adam in Genesis 2:8-15.

When you are able to understand what the Lord gave Adam it will be easy for you to grasp how the Kingdom economy works. The Lord **GAVE** Adam **LAND** in verse 8. The Lord **GAVE** Adam **RESOURCES** in verse 9 and 10. These resources allowed Adam to have plenty to eat.

The Lord **GAVE** Adam **CURRENCY** in verse 11 and 12. Adam had **ACCESS** to gold, bdellium and onyx. The Lord **GAVE** Adam **RULERSHIP** in verse 15. God told Adam to care and work everything He gave him.

Adam did not own anything. He had **ACCESS** to everything! In the Kingdom economy the Lord provides us with access which alleviates stress, worry and concern. Having access to something means that you are **NOT** responsible for the creation of it.

You are only responsible to maintain it. Abiding by the rules of capitalism **FORCES** you to create your own wealth. However, living in the Kingdom of God's economy enables you to **ACCESS** the King's wealth.

WHAT DO I NEED TO DO?

The same types of blessings Adam received are the same types of blessings you can receive. Matthew 6:33 says, *"But seek ye first the Kingdom of God, and His*

righteousness; and all these things shall be added unto you."

When you decide to **PRIORITIZE** the Kingdom of God over everything else in your life God **WILL** add everything unto you.

That is the first thing you need to do in order to have access to the Kingdom's economy. The second thing you need to do is pay your Kingdom taxes (tithes). Please refer to the teaching, "What is Kingdom taxation?" to receive further understanding.

Malachi 3:10 says, "*Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, IF I WILL NOT OPEN YOU THE WINDOWS OF HEAVEN, and pour you out a blessing, that there shall not be room enough to receive it.*"

The blessings that Adam received was not from earth. They were from heaven. God made a promise to people who pay tithes. He said, "*I will give them blessings from heaven*", similar to what Adam received in the book of Genesis.

If you seek the Kingdom of God and its righteousness first and pay your tithes consistently you will have **ACCESS** to the Kingdom's economy. Do you still want to take advantage of capitalism, knowing that the Kingdom economy is available?
