

THE KINGDOM SOLUTION FOR DEBT

By: Fountain Hendricks

(Mark 5:25-29)

The Kingdom solution for debt is for you to **AVOID** it at all cost. You may be thinking, how can I avoid living in debt when the world is controlled by credit? If you are **NOT** a Kingdom citizen it will be **IMPOSSIBLE** for you to live without debt because you are not privileged to the blessings of King Jesus.

However, if you are a Kingdom citizen you **DO NOT** have to live a life bound by debt. In the Kingdom of God you do not have to go in debt to prosper. The only requirement for prospering is **OBEYING KINGDOM LAWS**.

The systems of the world are structured and created for people to be **ENSLAVED** to debt. When you are enslaved

to debt you have no control over your life. The world wants to control your time. It wants to relegate you to making choices, not decisions.

The world wants to control what you do and how you live.

ADDING DEBT TO YOUR LIFE IS INVITING A SLAVE

MASTER TO RULE OVER YOU! If you have a slave master ruling over you, your life is not your own. Think about it.

How easy would life be if you did not owe visa every month? How liberating will your life be if you did not have a mortgage over your head?

If people were not tied to debt they would not have to work as hard to make a living. One of the primary reasons why people work long hours and work multiple jobs is because their slave master (debt) is oppressing them.

THANK GOD FOR THE KINGDOM!

If you are **NOT** a Kingdom citizen you are **BOUND** to live under the world's standards of prosperity. The world teaches us that having debt is necessary in order to prosper. The intellects of the world advise people to apply for a school loan in order to attend college. They counsel people on getting unsecured credit cards to boost their credit score.

They attempt to persuade you to apply for a loan to start a business. The world's standard of prosperity requires people to get in debt **BEFORE** they prosper. The Kingdom of God has a philosophy **CONTRARY** to the world's standards. King Jesus told us **NOT** to owe anyone anything except love in Romans 13:8.

King Jesus made us to be kings in revelation 1:6. He created us to be lenders in Deuteronomy 28:12. He formed us to be rulers in Genesis 2:1 and Matthew 25:23. King Jesus did not intend for us to be in debt. We were not meant to be slaves!

Since rulership was God's original idea for us, why do we justify being in debt as a normal condition? It goes against the structure of the Kingdom of God.

When Jesus brought the Kingdom to the earth He also brought His system of prosperity which is called "**SUPERNATURAL PROVISION.**" Under the guidelines of supernatural provision, attaining debt to get ahead is a foreign concept in the Kingdom of God.

SUPERNATURAL PROVISION

(Mark 5:25-29)

When you are in the Kingdom, King Jesus will provide you with resources that other people go in debt over. When Jesus walked on the earth He performed miracles, signs and wonders to show people the power of the Kingdom.

One of the people who experienced supernatural provision was the woman with the issue of blood. This woman suffered for twelve years from a bleeding issue.

The Bible states in verse 21 that she suffered very much from the hands of many doctors, while **SPENDING ALL OF HER MONEY GOING BROKE** and getting progressively worse.

Like many people, she thought that going into debt was necessary for her to prosper in her health. This theory proved to be **UNTRUE**. In verse 27 the Bible says, "*the woman with the issue of blood heard about Jesus. She said to herself, 'If I can touch His clothes, I will be healed.'*"

This sickly enslaved woman was able to **ACCESS** the healing power of King Jesus. When this woman touched the clothes of Jesus in faith she was **INSTANTLY** healed according to verse 29. Notice that she did not have to go in debt to be healed.

When you are in the Kingdom, the things that worldly people attain debt for will be supernaturally provided unto you. **IT IS NOT YOUR BUSINESS TO**

UNDERSTAND HOW IT WILL HAPPEN. IT IS YOUR RESPONSIBILITY TO KNOW IT WILL HAPPEN.

This woman went in debt unnecessarily, simply because she did not understand the Kingdom solution for debt. Do not allow the intelligence of the world to influence you to carry debt when the Kingdom of God has given you another alternative to receive supernatural provision!

Remember, we walk by faith, not by sight. As Kingdom citizens we are **NOT** relegated to abide by the supernatural traditions of the world. People in the Kingdom of God follow what they believe.

KINGDOM CITIZENS BELIEVE IN SUPERNATURAL PROVISION!
