

# THE DYNAMICS OF KINGDOM AUTHORITY

By: Fountain Hendricks

(Acts 19:11-17)

Everybody speaks words. However, everyone's words does not hold the same weight. Until you become an **AUTHORITY FIGURE** in a designated territory your words will never have an impact. For example, a mother's words will impact the behavior of her child.

A supervisor's words will impact the behavior of their employees. The strength of your words is **NOT** dependent on what you say. It is dependent on the authority you carry.

Please keep this in mind. You do not have to hold a high position to carry a lot of authority. Your authority has very **LITTLE** to do with the position you hold. It is mainly predicated on the level of your **SIGNIFICANCE**. If you are

not significant, you are not important and if you are not important your words will not matter.

This concept applies to every scenario imaginable. Whether you are working a job, running a business, leading a family or exercising citizenship in God's Kingdom, you **NEED** to be significant.

As a Kingdom citizen one of your goals should be aimed at learning how to **MAGNIFY** your voice so King Jesus will respond to your prayer request quickly. Magnifying your voice does not mean yelling or screaming to the top of your lungs. It means to **INDULGE** yourself in the Kingdom lifestyle.

As you do this God will honor **EVERY** word you say and **ANSWER** every prayer you ask of Him. The more you indulge in the Kingdom lifestyle the more authority God will give you. **AS YOU CARRY MORE AUTHORITY, YOUR WORDS WILL CARRY MORE POWER!**

In Matthew 28:18 Jesus told His disciples, "*All AUTHORITY in heaven and on earth has been given to me.*" This is why when Jesus **SPOKE**, people listened. Demons obeyed. Diseases submitted to His voice. His words carried weight because He walked in Kingdom authority.

When the disciples were under the mentorship of Jesus their words held very little weight. It wasn't until Jesus ascended back to Heaven that the disciples words made a difference on the earth.

It was in the book of Acts where the disciples walked in great authority. When the disciples indulged themselves in the Kingdom lifestyle during the mentorship of Jesus their authority grew on the earth.

## BE CONSUMED!

(Acts 19:11-17)

When the Apostle Paul transformed his life to live under the Kingdom mandate, diseases submitted to the

**AUTHORITY** of his words. Evil spirits obeyed the **AUTHORITY** of his words. Sinners changed their ways when they heard the **AUTHORITY** of his words.

The **AUTHORITY** the Apostle Paul walked in was very impressive. It was so impressive that people wanted to **IMITATE** his works. A leading priest and the Seven Sons of Sceva were so impressed with the Apostle Paul's authority that they attempted to cast out an evil spirit by **BORROWING** the authority Jesus gave to the Apostle Paul.

What they **DID NOT** understand was that the Apostle Paul had **INDULGED** himself in the Kingdom lifestyle. When the Apostle Paul utilized the name of Jesus, Jesus responded to his call immediately and demons were cast out.

However, when the leading priest and the Sons of Sceva attempted to utilize the name of Jesus, Jesus **DID NOT**

respond to their request. The demon they tried to cast out responded to them.

## TAKE HEED

- When you **DO NOT** indulge yourself in the Kingdom lifestyle your prayers will go unanswered.
- When you walk in Kingdom authority King Jesus will **HONOR EVERY** word you say. (Lamentations 3:37-38)
- When you walk in Kingdom authority your prayers will be answered **QUICKLY**. (Luke 18:6-8)
- When you walk in Kingdom authority your words will have **GREAT MEANING** to King Jesus. (*That is why the Apostle Paul was able to do many miracles.*)
- When you **DO NOT** walk in Kingdom authority your words will **NOT** mean anything to King Jesus. (*That is*

*why the Sons of Sceva and the leading priest couldn't get results.)*

THE MORE YOU INDULGE YOURSELF IN THE  
KINGDOM, THE GREATER AUTHORITY YOU WILL  
HAVE IN THE KINGDOM!
