

THE IMPORTANCE OF ORDER IN THE KINGDOM OF GOD

By: Fountain Hendricks

(1st Corinthians 14:33)

God will not bless what is **NOT** in order. God will **NOT** increase what is **NOT** in order. He will **NOT** prosper what is not in order. He will **NOT** exalt what is not in order. God will **NOT** promote what is not in order.

We live in a world where confusion is rewarded, foolishness is highlighted and dysfunction is honored. The Kingdom of God does not work in this manner. In the Kingdom, foolishness is punished. Dysfunction is eradicated and confusion is corrected.

**ORDER IS A PRIORITY IN THE
KINGDOM OF GOD!**

KINGDOM IDEOLOGY

Under the confines of the Kingdom of God, **BEFORE** God will do anything, **ORDER MUST BE ESTABLISHED FIRST**. Everything God does is in order. When God constructed the earth every element was added strategically. Think about it.

In Genesis 1:1 **BEFORE** God created the earth, He created heaven because God needed a place to dwell before He needed a domain to rule. **BEFORE** God created light He created the earth because the light needed a place to shine...get the point?

**UNTIL YOU DO WHAT IS FIRST YOU CANNOT
RECEIVE WHAT IS SECOND!**

One of the reasons why people have not received God's best is because they are trying to do what they want while overlooking what they need. For example, many people attempt to preach **BEFORE** studying the Kingdom

Constitution. Some people decide to create a family **BEFORE** becoming financially secure. Doing what you want **BEFORE** completing what you need will cause you to go through unnecessary hardships.

Doing things in order requires you to focus on your needs first while pursuing your wants second. Remember, purpose comes **BEFORE** passion. Planning comes **BEFORE** action. Studying comes **BEFORE** teaching.

Attaining wisdom comes **BEFORE** becoming prosperous. If you want King Jesus to give you exceeding blessings **LEARN** how to prioritize what belongs first and what belongs second.

**FOCUS ON YOUR NEXT STEP, NOT YOUR
NEXT LEVEL!**

ORDER IS THE SEED FOR MORE

A multitude of people are praying to God. They are asking Him to bless them with more of what they desire. It may be **MORE** peace, **MORE** opportunities, **MORE** congregants, **MORE** resources, etc.

Please remember, God will not bless what is **NOT** in order. When you **LEARN** how to put things in order you will **NOT** have to ask God to give you more. You will receive it **AUTOMATICALLY**.

HERE'S WHAT I MEAN:

- When your health is **IN ORDER** do you receive more energy? Yes.
- When your finances are **IN ORDER** do you receive more financial opportunities. Yes.

- When your appearance is **IN ORDER** do you receive more compliments? Yes.
- When your home life is **IN ORDER** do you receive more peace? Yes.

**WHEN THINGS ARE IN ORDER YOU WILL
RECEIVE MORE ABUNDANCE!**
**(IF YOU SOW THE SEED OF ORDER YOU WILL REAP THE
HARVEST OF ABUNDANCE.)**

DO NOT BE DECEIVED

(1st Corinthians 14:33)

Do not allow the world's reward system to deceive you into thinking that the Kingdom of God functions in the same way. In the world you can act like a fool and get paid millions of dollars. You can be the author of confusion and have a talk show.

You can promote dysfunction and have a million people follow you on Facebook. However, in the Kingdom of God **YOU WILL NOT RECEIVE ANYTHING IF THINGS ARE DONE OUT OF ORDER!** 1st Corinthians 14:33 says, *"God is **NOT** a God of confusion but a God of peace."*

God does not bless what is **NOT** in His nature. He will not promote what is **NOT** in His nature. The biggest mistake people make when they enter the Kingdom of God is bringing their worldly and religious ideas to God's country.

What you did in the world to be successful will **NOT** work in the Kingdom. What you did in the Christian religion to be honored will **NOT** work in the Kingdom. King Jesus will always clean you up **BEFORE** He dresses you up.

If you are not experiencing the blessings of the Kingdom in certain areas of your life it is because that particular area is **OUT OF ORDER**. If you are not in a healthy, faithful and vibrant relationship with God it is because

your relationship with the Holy Spirit is **OUT OF ORDER**.
King Jesus will not send the right person to participate in
your dysfunctional lifestyle.

If you have holes in your pockets it is because you are
robbing God of His tithe. He will **NOT** bless thieves. If you
cannot get ahead financially it is because your debt is
OUT OF ORDER.

Your debt is ruling over you rather than you ruling over
debt. If you are miserable it is because your mindset is
OUT OF ORDER. You are choosing to meditate on what
is temporal rather than what is everlasting.

In the Kingdom, **ORDER IS THE SEED FOR MORE**.
Remember, this information is **ONLY** applicable to the
Kingdom of God. The world does not care about order,
they care about profit. Religion does not care about order,
they care about control.

Only in the Kingdom, **ORDER** is honored. **ORDER** is rewarded. **ORDER** is valued. **ORDER** is appreciated and **ORDER** is exalted. In the Kingdom of God, getting things in order is a **HIGH PRIORITY!**
