

WHAT IS THE PURPOSE OF KINGDOM LAWS?

By: Fountain Hendricks

(Genesis 8:22) (Ecclesiastes 8:4)

Kingdom laws are **NOT** ritualistic laws. Kingdom laws were **NOT** founded on the premise of tradition. Kingdom laws were established based on the cycle of **SOWING AND REAPING**.

Genesis 8:22 says, "*As long as the earth endures, SEEDTIME AND HARVEST, cold and heat, summer and winter, day and night will never cease.*"

The difference between Kingdom laws and ritualistic laws is that Kingdom laws are created to produce a **RETURN** whether good or bad. Ritualistic laws are primarily created for symbolism. King Jesus delivered us from the laws of ritualism. However, He requires us to obey Kingdom laws.

There are hundreds and maybe thousands of Kingdom laws stated in the Bible. The purpose of Kingdom laws is to govern your life under the standards of the Kingdom of God. When you **OBEY** Kingdom laws they will bless you. Protect you. Reward you. Preserve you. Prosper and exalt you, while giving you peace at all times.

When you **DISOBEY** Kingdom laws they will cause you to experience misfortune. They will put you in the midst of danger and trouble. They will shorten your life. They will cause you to fail. They will instill fear and create worry.

Disobeying Kingdom laws will cause you to reap destruction, chaos, confusion, tragedy and losses. The lives of millions of people across the world are in disarray, because they **DO NOT** know the difference between ritualistic laws and Kingdom laws.

Unfortunately, many people have gravitated toward obeying ritualistic laws while disregarding Kingdom laws. Honoring the rules of tradition does not bless your life.

Beholding to the customs of religion does not protect you from the judgement of destruction.

Millions of people are complying with ritual symbolism such as burning candles, crossing their heart, participating in church social events, etc. These are some of the religious traditions that people honor.

These types of traditions and rituals **DO NOT** improve nor make your life better. You will come to find out that most people are familiar with ritualism than Kingdom laws. People are **IGNORANT** to Kingdom laws! A Kingdom law is anything that is spoken from the mouth of the Lord.

Anytime you hear the phrase...

Thus says the Lord...it's a Kingdom law.

WHY?

(Ecclesiastes 8:4)

Every word that is spoken out of the mouth of a King becomes law. The scripture says, "*What the King says is law; no one tells him what to do.*" Every time you read the Bible and the Lord is speaking, you are observing a Kingdom law.

Kingdom laws are like a double edge sword. Whichever side of the blade you fall on, you will feel the impact. If you **DISOBEY** Kingdom laws you will experience **PAIN**. If you **OBEY** Kingdom laws you will be **PLEASURED**.

Through the process of sowing and reaping, Kingdom laws cannot be altered by the theories and ideas of men. If you can remember this wisdom principle you will understand how Kingdom laws function. **WHAT YOU DO WILL BE DONE UNTO YOU!**

God has predestined every consequence and every blessing. In-spite of what you may think, you **DO NOT** control the **OUTCOME** of your life. The laws of the Kingdom controls the **OUTCOME** of your life. For

example, do you control the consequences that happen to you when you make foolish decisions? No.

Do you control the blessings that come upon you when you make wise decisions? No. Please remember this.

YOU control your decisions but the laws of the Kingdom controls the outcome. When you digest the previous statement it will be easy for you to understand and grasp the concept of Kingdom laws.

YOU MAKE DECISIONS!
HOWEVER,
THE KINGDOM DECIDES THE CONSEQUENCES
AND BLESSINGS OF THOSE DECISIONS.

The purpose of Kingdom laws is to establish order in your life and to **REMIND** you that **GOD CONTROLS YOUR DESTINY**, even though you control your decisions. If you choose to obey Kingdom laws your destiny will be bright. If you choose to disobey Kingdom laws your destiny will

be dark. When you understand the purpose of Kingdom laws you will know how God responds to people's decisions.
