

LIVING A LIFE OF PEACE THAT SURPASSES ALL UNDERSTANDING

By: Fountain Hendricks

Psalm 91:1-8

When you live a life of peace that surpasses all understanding you will see the stress around you but **NOT** feel it. You will see the pressure around you but **NOT** experience it. You will see the trouble around you but **NOT** endure it.

King Jesus never promised us that we would live in a world void of trouble. He promised that we will not be affected by the trouble. Psalm 91:1-8 says, "Those who go to God Most High for safety will be protected by the Almighty. I will say to the LORD, "You are my place of safety and protection. You are my God and I trust you."

God will save you from hidden traps and from deadly diseases. He will cover you with his feathers, and under his wings you can hide. His truth will be your shield and protection. You will not fear any danger by night or an arrow during the day.

You will not be afraid of diseases that come in the dark or sickness that strikes at noon. At your side one thousand people may die, or even ten thousand right beside you, but you will not be hurt. You will only watch and see the wicked punished."

LIVING IN SUPERNATURAL PEACE

There is a difference between natural peace and supernatural peace. Anyone can achieve natural peace. However, only the Lord can provide you with supernatural peace. **SUPERNATURAL** peace **SURPASSES** all understanding.

Philippians 4:7 says, "And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus."

SUPERNATURAL PEACE is a calmness that defies logic. It is a relaxation that is unexplainable. It is a rest that is incomprehensible. It is an energy that is indescribable. When you find yourself in this place God has blessed you with His Kingdom provision.

Supernatural peace is a Kingdom provision, not a worldly provision. The world cannot take this type of peace away because it did not provide it to you. The world's peace is measurable and attainable. The world's idea of peace is surrounding yourself with abundant resources and wealth.

Resources and wealth can bring you peace. However, it does not remove the **FEAR** of losing it. This is the major difference between natural and supernatural peace.

Natural peace can bring you comfort. Supernatural peace brings you comfort **AND** eradicates the fear of loss.

Haven't you seen this? There are plenty of wealthy people who live in fear daily. They fear getting sued, robbed, taken advantage of, etc.

Their peace keeps them comfortable in the **SHADOW** of fear. Supernatural peace is not accompanied with fear. Supernatural peace is a calmness that **REMOVES** fear.

HERE ARE SOME WAYS TO IDENTIFY WHEN YOU ARE LIVING IN SUPERNATURAL PEACE:

MENTALLY: When your mind is free to think clearly void of worry in the midst of trouble, confusion and chaos you have supernatural peace.

PHYSICALLY: When your body has not been attacked with tension and stress in the midst of trouble, confusion and chaos you have supernatural peace.

SPIRITUALLY: When your spirit is not vexed or disturbed in the midst of trouble, confusion and chaos you have supernatural peace.

EMOTIONALLY: When you have neutral emotions in the midst of a distressful, uncertain and toxic climate you have supernatural peace.

Living in supernatural peace will enhance the quality of your life. The money you make will become more enjoyable when you live in supernatural peace.

The relationships you have will become more meaningful when you live in supernatural peace. The blessings you have will benefit you more when you live in supernatural peace.
