

# WHAT IS KINGDOM CITIZENSHIP?

By: Fountain Hendricks

Mathew 6:14

Citizenship is the right to have rights within your country. Citizenship **ENTITLES** you to the privileges and protection of the constitution. Kingdom citizenship is the same thing.

When you are a citizen in the Kingdom of God you are **ENTITLED** to favor, forgiveness, mercy, provision, protection, opportunity, etc. As a citizen you do not have to pray or beg for the above attributes.

It is given to you when you obey the laws of the Kingdom of God. As a Kingdom citizen you are empowered to command, decree and declare the promises of your constitution (Bible).

**IT'S NOT COMPLICATED**

If you are a United States citizen you have the **RIGHT** to bear arms, to express the freedom of speech, to vote for political candidates, to go through due process if you are in a legal matter and work and live as a United States citizen.

When you are utilizing these rights you are not begging the United States government to let you do this. You exercise your right because you **BELIEVE** you have the right. Many people are begging God for things they **ALREADY** have access to.

When you do not have a criminal record the United States government tells you that you have the privilege of voting for any political candidate of your choosing. As long as you do not attain a criminal record and obey the law your rights will always be available.

Hence my point, when you obey the laws of the Kingdom of God, the blessings and privileges of the Kingdom will remain available to you. For example, Mathew 6:14 says,

“Yes, if you forgive others for their sins, your Father in heaven will also forgive you for your sins.”

## WHAT HAPPENS WHEN A PERSON BECOMES A KINGDOM CITIZEN?

When you become a citizen of the Kingdom of God you become **ONE** with that nation. For instance, when an African attains citizenship in America he becomes **ONE** with the country and he is known as an “African American.”

With his status changing, his values, behavior, attitude and ideas begin to change. He begins to chase the “**AMERICAN**” dream rather than his divine purpose.

Citizenship forces you to **ADOPT** the culture of the country you are affiliated with. Unfortunately, most people have not adopted the Kingdom culture into their lives because they see themselves as members of a church rather than citizens of a country.

## YOU WILL ONLY BE WHAT YOU SEE!

People who see themselves as citizens walk in favor because they **BELIEVE** it is theirs. They walk in prosperity because they **BELIEVE** it is theirs. They walk in the goodness of the Lord because they **BELIEVE** it is theirs.

Unlike people who are religious, they do not beg God for a blessing. They believe they **ARE** the blessing. Citizens walk with an uncommon confidence because they **KNOW** they have access to everything that is good.

## THE POWER OF CITIZENSHIP

Citizenship gives you the power to **ACCESS** what God put in place.

### HERE'S WHAT I MEAN:

- When immigrants from other countries are looking for better opportunities they are looking for citizenship to have the **RIGHT** to have a better life.

- When radicals are looking to protest the government they are relying on their **CITIZENSHIP** to express their freedom of speech.

CITIZENSHIP IS THE GREATEST ASSET IN THE  
KINGDOM BECAUSE IT EXPOSES YOU TO THE  
LORD'S GOODNESS.
