

# WHAT IS KINGDOM DOMINION?

By: Fountain Hendricks

Genesis 1:26

Kingdom Dominion encompasses three important attributes. **LEADERSHIP, MANAGEMENT** and **RULERSHIP**. When you are walking in dominion you will exude these attributes at the same time within your sphere of influence.

When someone is in a position of **LEADERSHIP** they are responsible for making **PROGRESS**. When someone is in the position of **MANAGEMENT** they are responsible for **MAINTAINING** and **CARING** what is in their possession. When someone is in the position of **RULERSHIP** they are responsible for producing **RESULTS**.

ALL IN ONE

Genesis 1:26 says, "And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth."

The original mandate and will of God was for mankind to walk in Dominion. Our destiny was to lead and move our new civilization toward an evolving future. We were to manage and maintain the glory of God in the Garden of Eden. We were to rule over every living creature around us.

That mandate is **STILL** relevant today. Wherever you are or whatever you are doing you should be leading to create a better future. You should be managing where you are and what you have **WHILE** ruling your environment. Are you doing this?

This lifestyle should be displayed in every aspect of your life. Living **BENEATH** this mandate is a life that is unfulfilled and insignificant. You were created to carry

dominion. You were not created to be enslaved. You were not created to be last. You were created for greatness.

If you are not waking in Kingdom dominion then you are living as a servant. There is nothing wrong with having the heart of a servant. However, living like one is unacceptable. No where in the Bible did Jesus encourage you to live like a servant. He told us to **SERVE**.

Dominion living is **THINKING** like a King /Queen while helping others like a servant. Dominion living is living abundantly while helping others generously. Dominion living is influencing your territory with righteousness while leading people to be righteous.

As you are growing in Kingdom Dominion you will become a better **LEADER, MANAGER** and **RULER**. Like most things, learning how to walk in Kingdom Dominion is a **PROCESS**. It takes time to fully manifest its glory.

When King Jesus empowers you to walk in Kingdom Dominion He will give you a group of people to lead **FIRST. SECONDLY**, He will give you something to manage. **THIRD**, He will give you a territory to govern and rule over.

## WISDOM NOTE

**LEADERSHIP** requires a high level of **THINKING**.  
**MANAGEMENT** requires a high level of **DOING**.  
**RULERSHIP** requires a high level of **BOTH**.
