

THE KINGDOM LAWS OF MONEY

By: Fountain Hendricks

You are either chasing money or attracting money. The difference between the two is the effort one puts forth. People who **CHASE** money become **SLAVES** to the dollar.

People who **ATTRACT** money become the **MASTER** over money. Learning the Kingdom laws of money will help you become a master over money rather than being a slave to money. Listed Below are the Kingdom laws of money so you can start attracting money.

THE LAW OF WORK: Proverbs 12:24 says, “[hard workers will become leaders, but those who are lazy will be slaves.](#)”

Working in positions of leadership attracts power (influence) and power attracts money. If you work hard becoming skilled in your work you will attract money.

THE LAW OF ADAPTATION: 1st Corinthians 9:19-20 says, "I am free and belong to no one. But I make myself a slave to all people to win as many as I can. To the Jews I became like a Jew to win the Jews.

I myself am not ruled by the law. But to those who are ruled by the law I became like a person who is ruled by the law. I did this to win those who are ruled by the law." If you are willing to adapt to your environment you will win the rewards of that environment. Becoming familiar with your environment invites success.

THE LAW OF HONOR: Malachi 2:2 says, "Listen to me. Pay attention to what I say. Honor my name," says the LORD All-Powerful. "If you don't, I will send a curse on you and on your blessings. I have already cursed them, because you don't pay attention to what I say."

When you honor the Lord God He will make sure your blessings will not be cursed. If your blessings are cursed you will not attract money. You will lose money continuously.

THE LAW OF WISDOM: Proverbs 8:18 says, "Riches and honor are mine to give. So are wealth and lasting success."

When you pursue and attain wisdom she will provide you with the money you need because it is in her possession.

THE LAW OF DEVELOPMENT (Being Skilled): Proverbs 22:29 says, "Do you see people skilled in their work? They will work for kings, not for ordinary people." Skilled people will attract money because employers will pay top dollar to receive the best service. When you become an expert at what you do important people will seek your services.

THE LAW OF THE SEED: Galatians 6:7 says, "Do not be fooled: You cannot cheat God. People harvest only what they plant." Money is attracted to people who invest their money in opportunities that will harvest more money. If you are an investor money will find you.

THE LAW OF PERSISTENCY: Proverbs 13:11 says, "Money that comes easily disappears quickly, but money that

is gathered little by little will grow.” The person who is determined to save gradually will attract money because their patience will prevent them from making foolish decisions.

THE LAW OF LEARNING: Isaiah 1:17 says “Learn to do good. Seek justice. Punish those who hurt others. Help the orphans. Stand up for the rights of widows.” Money is attracted to the people who learn their craft. People who learn what they do will attain the ability to teach what they know.

When you can transfer a skill to other people they will pay for you for your expertise. Authors are paid top dollar for sharing knowledge. Lawyers are paid top dollar for sharing knowledge. Human Resources Directors are paid top dollar for sharing knowledge.

THE LAW OF THE TITHE: “Malachi 3:10 says, “Bring to the storehouse a full tenth of what you earn so there will be food in my house. Test me in this,” says the LORD All-Powerful. “I will open the windows of heaven for you and

pour out all the blessings you need.” When you honor the tithe God will protect your money. Giving tithes gives you access to the Kingdom economy.

THE LAW OF WORDS: Proverbs 18:20 says, “People will be rewarded for what they say; they will be rewarded by how they speak.” Money is attracted to the people who know how to talk right. Words start wars. Words gives strength.

Words attract money. Words carry power and influence. What you say can determine if someone will open their pocketbook or close it.

THE LAW OF PROBLEM SOLVING: “Proverbs 18:15 says, “The mind of a person with understanding gets knowledge; the wise person listens to learn more.” When you equip yourself with the knowledge to solve problems money will find you. Doctors are paid hundreds of dollars because they can solve health problems.

Electricians are paid top dollar because they can solve electrical problems. The type of problems you are able to solve will determine how much money you will attract. Big problems attract big money. Little problems attract little money.

THE LAW OF NEGOTIATION: Ecclesiastes 7:8 says, "It is better to finish something than to start it. It is better to be patient than to be proud." Patience is a valuable attribute in negotiating. Money is attracted to people who are patient and not anxious. People who are patient make less mistakes, better decisions and profit more from their efforts.

THE LAW OF PRIORITIZING: Matthew 6:33 says, "Seek first God's kingdom and what God wants. Then all your other needs will be met as well." What you do first will determine what God does second.

If you prioritize the Kingdom of God first God will add all things unto you second **INCLUDING** money. Money is

attracted to the people who know what belongs First in their life.

THE LAW OF RECIPROCITY: (feed what is feeding you).

2 Corinthians 8:14 says, "At this time you have plenty. What you have can help others who are in need. Then later, when they have plenty, they can help you when you are in need, and all will be equal." Money is attracted to givers. If you give to people who are in need from your abundance God will send people to replenish you when you are in need.

**IF YOU HONOR THESE KINGDOM LAWS YOU WILL
NEVER BE BROKE AGAIN!**
