

WILL GOD FULFILL YOUR PASSION?

Passion is a strong **DESIRE**! If you have not received the desires of your heart it is not because God is ignoring your passion. There is a prerequisite that must be completed before God fulfills your passion.

Psalm 37:4 says, "Delight thyself also in the Lord; and he shall give thee the desires of thine heart." Before God will give you the desires of your heart you **MUST ENJOY SERVING THE LORD FIRST**.

HOW DO I DO THIS?

As simple as this may sound it is not easy to understand. Enjoying serving the Lord is all about the **MOTIVE** of your heart. It is not about what you do. It is about the **ATTITUDE** in which you do it.

If you serve God out of obligation your attitude is wrong. If you serve God out of tradition your attitude is wrong. If you serve God to get something from Him your attitude is wrong. If you serve God out of religious duty your attitude is wrong.

The act of service under the **WRONG** motive will not get your passions fulfilled. The Lord is not like men. Men look at the outward appearance. However, God looks at the heart. Reference 1st Samuel 16:7.

People who enjoy serving the Lord do it because they **LOVE** serving the Lord. There is no underlining meaning. The act of serving is **PURE** in its intention. If no one sees them they serve the Lord. If things go good they serve the Lord. If things go bad they serve the Lord.

Their circumstances do not dictate if they will or will not serve God. When you can get to the point where serving the Lord **BECOMES YOUR** dominant passion, your

ancillary desires will be fulfilled. Has serving the Lord **BECOME YOUR** passion?

Read the above scripture closely. “**Delight thyself in the Lord**”. The scripture does not say delight your efforts. It does not say delight your heart. It says, delight **YOURSELF**. When your whole being is dedicated to the service of God then the Lord will give you the desires of your heart.

Are you all in or partially committed? That is the question you must ask yourself. Only you can answer that! When you are fully committed God will fulfill your passion.

A person who is fully committed wakes up serving God. They look for opportunities to serve the Lord. They think of new ways to serve God. Their entire life is centered around representing King Jesus **EVERYDAY**. Is this you?
