

# WE FIGHT AGAINST PRINCIPALITIES

What does this mean?

By: Fountain Hendricks

Ephesians 6:12

A principality is the position of authority of a prince. A prince is a **RULER**. A prince carries out the agenda of their Supreme deity. In Great Britain the prince undertakes a number of royal duties in support or on the behalf of the Queen.

In this particular case, the principalities we fight are demonic. These principalities are demonic spirits who are looking to support the agenda of Satan, their Supreme deity.

THE BEGINNING

Ephesians 6:12 says "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

The scripture starts out explaining that we do not fight against flesh and blood. Our battle is **NOT** with people. Despite what they do to you and how they treat you, the battle is not with them. The battle is against the demonic spirits that has taken **POSSESSION** of their body.

The earth belongs to the Lord. However, man has dominion on the earth. In Genesis 1:28 God gave man dominion on the earth. In other words, the Lord established a Kingdom law.

Since God formed man from the dust of the ground and made a body for man **NO ONE** can do anything on the earth without **POSSESSING** a dirt body first. This is why

King Jesus had to wrap Himself in flesh before He could bring the Kingdom to the earth.

John 1:14 says, "And the Word was made **FLESH**, and dwelt among us, (and we beheld his glory, the glory as of the only begotten of the Father,) full of grace and truth."

King Jesus had to honor the law that was established in the beginning. When a spirit wants to have influence on the earth they must **POSSESS** a body to make an impact. This is why the Holy Spirit **NEEDS** to live in you in order for God's will to be done on the earth.

1st Corinthians 6:19-20 says, "You should know that your body is a temple for the Holy Spirit who is in you. You have received the Holy Spirit from God. So you do not belong to yourselves, because you were bought by God for a price. So honor God with your bodies."

This is why the devil walks throughout the earth seeking whom he may devour. The devil wants to find a body

(person) he can possess so he can have **LEGAL** access on the earth. 1st Peter 5:8 says, "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:"

**IF THE ENEMY CAN POSSESS YOUR BODY  
HE WILL DEVOUR YOU.**

## LEGAL ACCESS

The body grants evil and righteous spirits **LEGAL** access to earth's activities. Spirits can come on the earth. However, they **CANNOT DO ANYTHING** on the earth without a body. Spiritual warfare is a legal battle, not a religious discussion.

Our battle against principalities is to stop Dominion spirits from attaining legal access on the earth and to prevent them from distorting the righteous laws of our land.

When you preach the Gospel of Jesus Christ and a person receives Christ in their heart and the Holy Spirit into their life that is one less person the enemy can use to forward his agenda. This is one of the options that prevents the enemy from attaining legal access to the earth.

**IF THE HOLY SPIRIT LIVES IN YOU, THE DEVIL  
CANNOT POSSESS YOUR BODY.**

When the enemy attains legal possession of a person's body his objective is to use that person to promote his agenda. This first thing he aims to do is to influence the masses to disregard, neglect and ignore the Kingdom laws of God.

He does this by seeking to be in powerful positions to inspire change, such as a political office, head of a company, media member, etc. Any position that can allow him to be **INFLUENTIAL** is what he seeks after.

**THE ENEMY KNOWS THAT INFLUENCE IS POWER!**

Kingdom citizens can fight this by positioning ourselves to hold influential positions so we can control the laws of our land and promote the righteousness of God. Remember, whoever **CONTROLS** the ability to govern law will dictate the culture, climate and morale of their environment.

This can be applied to your Country, State, City, workplace, home, etc. Whoever is the lawmaker in your territory has dominion over it. The enemy is trying to take what God willingly gave us... **DOMINION ON THE EARTH.**
