

WHAT IS THE LORDS VOICE?

By: Fountain Hendricks

Psalm 103:20

A voice is a **SOUND**! That sound could be anything. It could be a sound of trouble. It could be a sound of victory. It could be a sound of fear. In order to recognize what type of sound you are hearing you must identify the source.

For example, the words of a threat sounds fearful. The words of encouragement sounds inspirational. The words of celebration sounds victorious. The words of gentleness sounds loving.

Words are the catalyst for distributing sound. The Lord has a **SPECIFIC** sound He responds to. He responds to the sound of His **WORD**! When God hears His Word the mighty warring angels respond.

Psalm 103:20 says, "You who are his angels, praise the Lord. You are the mighty warriors who do what he says and who obey his voice."

What happens when the warring angels are awoken? Great things happen. Angels work on the behalf of the Lord. However, they are at **SERVICE** to God's people. Angels stop what you cannot see.

They prevent what you do not know. They protect you from the attacks being aimed at you. Warring angels fight your battles on the behalf of the Lord.

Our battles are not ours. It is the Lord's. With this being said, how do you think God fights our battles? He doesn't do it. A King does not do labor work. A King fights for His citizens by issuing **COMMANDS, ESTABLISHING DECREES, GIVING ORDERS** and **CREATING LAWS** that benefit the people.

Warring angels do what the Lord says and obey His voice. Jesus said something profound in John 8:28. The scripture says, "So Jesus said to them, "When you lift up the Son of Man, you will know that I am he. You will know that these things I do are not by my own authority but that I say only what the Father has taught me."

GOD IS ALWAYS SPEAKING

Anytime you hear the word of the Lord you are hearing His voice. A quoted scripture, a weekly sermon or a bible lesson will always exude the voice of God. It can be formal or informal, it doesn't matter. Whenever God's word is spoken His voice is heard.

God is **NEVER** quiet. In this day and age when technology has made everything convenient, available and accessible you can hear the voice of the Lord all day, everyday.

If you turn on your favorite preacher on YouTube You will hear God's voice. If you download certain gospel apps you will hear God's voice. Even if a person does not have the Holy Spirit they can hear God's voice anywhere, anytime and at any moment. There is no reason why people should be ignorant to the voice of the Lord. However, many still are.

Why are people still ignorant to the voice of the Lord? The answer is simple. They **CHOOSE** to be. When a person chooses not to hear the word of God they are choosing to be ignorant. This is why people who ignore God's word will be cursed. There is **NO** excuse to be ignorant.

Psalms 119:21 says, "You scold proud people; those who ignore your commands are cursed."

Ignore is the root word for ignorance. Whatever you decide to ignore you will be ignorant to. You cannot

afford **NOT** to hear God's voice. Your prosperity depends on it.

Your happiness depends on it. Your protection depends on it. Your peace depends on it. Your life depends on it. Every person has an opportunity to change their life. As long as God is speaking, opportunity is available.

Fortunately, the Lord is **NEVER** silent because His word is always being spoken somewhere.

**REMEMBER, THE SOUND OF THE LORD'S
VOICE IS HIS WORD!**
