

# DIVINE HEALTH IS OPTIONAL

Exodus 15:26

Walking in divine health is optional. God will not automatically grant you with divine health. You must choose to **ACTIVATE** divine health. Yes, divine health must be activated by the actions you choose to do.

Exodus 15:26 says, "He said, "You must obey the Lord your God and do what he says is right. If you obey all his commands and keep his rules, I will not bring on you any of the sicknesses I brought on the Egyptians. I am the Lord who heals you."

The above scripture provides conditions to walking in divine health. There are three conditions you must comply with in order to activate this law of divine health.

1. **OBEY** the Lord your God.
2. **DO** what is **RIGHT**.
3. **OBEY** the Lord's commands and keep His **RULES**.

The first condition a person must choose to comply with entails you obeying the Lord your God, meaning to honor the **VOICE** of the Lord. Whatever and whenever the Holy Spirit gives you an instruction it needs to be followed.

The second condition a person must choose is to follow righteousness. Righteousness is being rightly **POSITIONED** with the Kingdom laws of God so you can have the ability to do what is right.

The third condition a person must choose is to be **COMPLIANT** with the laws of God's country. **IF** you are compliant to the Kingdom laws of God, life will treat you well.

**IF** you obey these three conditions God will grant you with divine health. Despite what you may have heard your health is **NOT** guaranteed. It is **NOT** promised. You must be **INTENTIONAL** to choose the Lord's supply of health.

## WHAT IS DIVINE HEALTH?

Divine health is a **WHOLENESS**. It is a state of being that comes from the Kingdom of God. It is a peace that surpasses your understanding. It is energy that never runs out. It is youth that never gets old. It is a mentality that is filled with wisdom.

Divine health fills your body with treasures that comes from the storehouse of Heaven. These treasures keep you mobile, vibrant, strong, energetic and sane.

## THE PRESENCE OF SICKNESS

The presence of sickness is the **PROOF** of disobedience. This may be hard to accept, but it's the truth. Sickness is

**NOT** the will of God. It is the **PUNISHMENT** of God. Here are a few reference scriptures to validate this point.

- "Deuteronomy 28:20-21 says, "The Lord will send you curses, confusion, and punishment in everything you do. You will be destroyed and suddenly ruined because you did wrong when you left him. The Lord will give you terrible diseases and destroy you from the land you are going to take."
- Leviticus 26:14-16 says, "But if you do not obey me and keep all my commands, and if you turn away from my rules and hate my laws, refusing to obey all my commands, you have broken our agreement. As a result, I will do this to you: I will cause terrible things to happen to you. I will cause you to have disease and fever that will destroy your eyes and slowly kill you. You will not have success when you plant your seed, and your enemy will eat your crops."

**YOUR HEALTH DEPENDS ON YOUR  
OBEDIENCE.**

Your obedience to God keeps you healthy in all ways, mentally, physically and emotionally. If you ever wanted to know why nice people have bad health it's because nice people disobey the voice of the Holy Spirit and the laws of the Kingdom of God.

Obedience to God **GUARANTEES** divine health. Our Lord has **ALL** power is in hands. That power includes your health. Obedience to God's Constitution (Bible) influences Him to keep you healthy.

When the Lord sees someone who is complying with His Kingdom laws He will make sure they are healthy so His will can be completed. Divine health is optional, yet accessible if you **OBEY** the Kingdom laws of God.

**YOUR HEALTH ENSURES GOD'S PLAN WILL  
BE COMPLETED ON THE EARTH.**
