20 TRUTHS OF HAVING PLENTY

King Jesus has purposed, destined and planned for us to live in abundance. It is the will of God that His people dwell in the midst of abundance. Abundance is having an extremely plentiful or overly sufficient quantity and supply.

The secret to maintaining the abundant lifestyle is **MANAGEMENT**. When you are abundant with resources it is highly important that you recognize some essential truths regarding living abundantly.

1. Abundant living will make you **RESPONSIBLE** for managing what you have. Bad management will influence God to take away what you have.
2. Abundant living will attract **BEGGARS**. When you have plenty people who are lacking will attempt to influence you with pity.

3. Abundant living requires you to apply **DISCERNMENT** and **DISCRETION**. When you have plenty People will ask you for much but you must decide who is **WORTHY** of the gift.
4. Abundant living attracts **THIEVES**. Thieves come to take what you have **WITHOUT** your knowledge.
5. Abundant living must be **PROTECTED**. Abundance sheds light to a darkened world. When light shines everyone comes, good and bad. You must protect your resources from bad apples.
6. Abundant living is your **RIGHT** as a **KINGDOM CITIZEN**. You are entitled to live with plenty because as a citizen in God's Kingdom you are entitled to everything.

10. Abundant living will empower you to be a **LENDER**, **NOT** a borrower. When you are a lender nations (people from other groups) will seek you out.
11. Abundant living **DESTROYS** the **FRUSTRATION OF LACK**. When you live abundantly you do not focus on lack. You focus on distribution.

15. Abundant living **MAGNIFIES YOUR VOICE**. No one wants to listen to a poor man. Poverty turns people off. Abundance is a perfume people are drawn to.
16. Abundant living makes you **RESPONSIBLE FOR HELPING OTHERS**. In other words, do not give foolishly. Give wisely.

17. Abundant living is **MAN'S REWARD** for **OBEYING** the Kingdom laws of God.
