

# THE KEY TO KINGDOM PROSPERITY

By: Fountain Hendricks

Mathew 6:33

Prosperity is natural in the Kingdom of God. If you are a Kingdom citizen prosperity is **NOT** a blessing. It is an **EXPECTATION!** In other words, prosperity is a life style, not a gift.

The Kingdom of God is entirely different from the world's economic system. In the world's economic system people **CHASE** prosperity. In the Kingdom of God we **INHERIT** prosperity. In the world people prioritize prosperity. In the Kingdom of God we prioritize **RIGHTEOUSNESS!**

In the world's economic system prosperity is a reward. In the Kingdom of God prosperity is a lifestyle. The way

Kingdom citizens view prosperity is entirely different from how everyone else views prosperity.

## WHAT IS KINGDOM PROSPERITY?

Kingdom prosperity is **WHOLENESS**. Wholeness is when you are not lacking for anything but have plenty of **EVERYTHING**! Plenty of money, resources, love, self confidence, wisdom, honor, opportunities, pleasure, comfort, health, energy, etc.

Mathew 6:33 says, "But seek ye first the kingdom of God, and his righteousness; and **ALL** these things shall be added unto you." Kingdom prosperity covers every need you have. Unfortunately, many do not view prosperity as wholeness which prevents them from being whole.

## THE KEY TO KINGDOM PROSPERITY

**DEPENDENCY** is the key to Kingdom prosperity. This culture is contrary to the world. In the world's economic

system the key to prosperity is independence. The culture of the world encourages you to own, grind and hustle.

This is **NOT** relevant to the Kingdom of God. Kingdom citizens rely on King Jesus and His laws to supply their prosperity. Mathew 6:33 teaches us to seek **FIRST** the Kingdom and its righteousness.

Our dependency comes from prioritizing the Kingdom of God and its righteousness. These are the ways we prioritize.

**STUDYING:** Kingdom citizens study to show themselves approved unto God.

**RESEARCHING:** Kingdom citizens research their constitution to gather comprehension of the truth.

**EXPLORING:** Kingdom citizens study and research the Kingdom and righteousness so they can discover the hidden secrets of their country.

The decision to put our effort, time and talents toward studying, researching and exploring the Kingdom of God **FORCES** us to be dependent on King Jesus to take care of our needs. When the majority part of your efforts are focused on seeking the Kingdom and its righteousness God is **OBLIGATED** to care for your needs.

Proverbs 3:5 says, "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths."

The biggest mistake people make in the Kingdom of God is trusting their own logic to access God's treasure. Do not make this mistake. It will cost you greatly. Lean not to what you know and lean toward to what God said.

If you can learn how to be dependent on the Kingdom's economic system you will **NOT** lack anything. Trying to chase and gather things in your own strength in God's

royal country will cause you to go bankrupt. His country is not built for this. His economic system frowns on this.

IN THE KINGDOM OF GOD  
PROSPERITY IS GIVEN TO THE PEOPLE WHO  
PRIORITIZE THEIR ROYAL COUNTRY AND  
RIGHTEOUSNESS.

POVERTY IS GIVEN TO THE PEOPLE WHO  
PRIORITIZE THINGS.
