

# WHAT IS EMOTIONAL WEALTH?

By: Fountain Hendricks

Proverbs 10:7

Emotional wealth is highly overlooked. Actually, it is not even considered amongst many people. Emotional wealth has nothing to do with feeling good.

Emotional wealth is living a **PURPOSED-FILLED** life in abundance. A purposed-filled life is an existence of **MEANING, EFFECTIVENESS** and **IMPACT**. Are you living this type of life?

**YOUR EMOTIONS CONTROLS YOUR MOTION!**

## MEANING

A life of a meaning makes a **DIFFERENCE** in other people's lives. When you are able to live your life with

meaning, your efforts will make **OTHER** people's lives better. It will leave an **IMPRINT** into the lives of **OTHERS**. You will be remembered as a blessing.

Proverbs 10:7 says, "Good people will be remembered as a blessing, but evil people will soon be forgotten."

## EFFECTIVENESS

People who live effectively leave a **LASTING IMPRESSION** with people or the environment they're in. A lasting impression is a mark, an image or a notion of remembrance into a person's intellect, feelings or conscience.

Ask yourself this question, is what you're doing effective? Are you making a lasting impression into the lives of the people around you? You will know if you are doing so.

Lasting impressions are appreciated when people allow **YOUR INFLUENCE** to take root in their lives. People who

have been touched by your effectiveness will **SUBMIT** to your influence. People who are effective will be remembered as a blessing.

Proverbs 10:7 says, "Good people will be remembered as a blessing, but evil people will soon be forgotten."

## IMPACT

Your impact in people's lives will determine the **ATTENTION**, **IMPORTANCE** and **INVESTMENT** people will give to you. If your impact is small, the memory you leave will be insignificant. If your impact is big, people will never forget you.

How impactful are your talents influencing people's lives?

How impactful are your gifts influencing people's lives?

This is the purpose of your God-given abilities. God gives you these abilities to **HELP** people.

If you use these abilities to help yourself and serve your self interest **ONLY** the impact you will make will be small. The heroes of the past thought differently, which is why their legacy lived beyond their years on the earth.

Dr. King's legacy touches generations. Steve Jobs impact has transcended generations. Nelson Mandela's impact has changed people's perspective around the world about standing for what you believe in. Mahatma Gandhi has impact generations with his timeless philosophies.

These people were emotionally wealthy. They lived with **MEANING, EFFECTIVENESS** and **IMPACT**. You have the opportunity to live the same way. If you do not invest in others, it is impossible to become emotionally wealthy. Emotional wealth is **DEPENDENT** on your investment into others.

What you give to others will be given back to you in abundance. Luke 6:38 says, "Give, and it shall be given unto you; good measure, pressed down, and shaken

together, and running over, shall men give into your bosom.  
For with the same measure that ye mete withal it shall be  
measured to you again."
