

Should you send your child back to school?

YOUR CHILD NEEDS THIS WISDOM.

Do children need an education? Yes. Do they need to develop their social skills? Yes. Do they need to be around other children? Yes. However, they need to be safe.

THREE WAYS TO KEEP YOUR CHILD SAFE FROM COVID-19.

1

**CONTROL
THEIR
SURROUNDINGS.**

2

**MONITOR
WHO THEY ARE IN
CONTACT WITH.**

3

**TALK TO THEM ABOUT
WHAT IS GOING ON.
EDUCATION IS
EMPOWERMENT.**

WISDOM POINT#1

You are your child's **BEST** teacher.

WISDOM POINT#2

You are your child's greatest **INFLUENCE..**

WISDOM POINT#3

You are your child's greatest **HELP**, not the government.

If your child is not safe nothing else will matter. I know there are other factors that are involved such as parents going to work, lack of child care, etc. Rather than thinking of the opposition, think of the **OPPORTUNITY**.

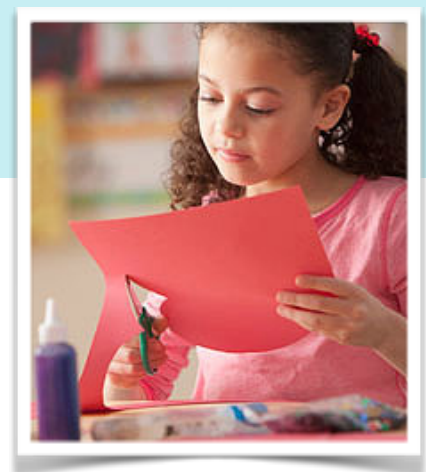

You may be thinking, what opportunity?? Proverbs 22:6 says, "Train up a child in the way he should go: and when he is old, he will not depart from it." This is a wonderful opportunity to train your children and prepare them for the times we are living in.

The schools are not training your children in the ways of righteousness. The schools are not training your children to honor God. The COVID-19 pandemic has given many parents the opportunity to recalibrate and re-group. Your child may fall behind in their academic criteria. However, if you maximize this opportunity they will be

THIS IS A GREAT TIME TO SPEND QUALITY TIME WITH YOUR CHILD WITHOUT INTERFERENCE. THINK ABOUT IT. IT TAKES TIME TO TRAIN. IT TAKES TIME TO TEACH. IT TAKES TIME TO MOLD. DURING THIS SEASON OF OUR LIVES WE HAVE NOTHING BUT TIME.

AHEAD in having an excellent character, upstanding values and righteous morals.

The values and lessons you can give your children during this historic period will be everlasting. Do not

send your children to school to be in the midst of danger. Nothing last forever. This season of Covid-19 shall pass away.

You are the first teacher in your child's life. Go back to the basics until our world is a better and secure place. Join the Wisdom Community today to read more exclusive teachings at www.thewisdomstore.com
