I LOST MY JOB!

WHAT SHOULD I DO?

There are over 30 million Americans who have lost their jobs or been furloughed from their place of employment. If you are one of these Americans you may be asking the question, what should I do? The natural response to this question is get another job or find some type of work that will give you an income. That may be simple if you weren't facing unusual circumstances. The coronavirus changes the game for everyone.

Normal behavior
does not work in
abnormal
circumstances

When facing unusual circumstances, you must do something different than what you are accustomed. Normal behavior does not work in abnormal circumstances. Taking matters into your own hands is normal for many people. However, I want to challenge you to do something different. Something that may be abnormal for you.

If you are one of these individuals who have lost their job do not seek employment, **SEEK THE KINGDOM OF GOD!** I know this may sound crazy. You may be thinking, “I got bills to pay, I do not have time to study the Bible”. This may not make sense to you but the Kingdom of God is not common knowledge. It is the divine Government of God.

Mathew 6:33 says, “*But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.*”

If you seek the Kingdom of God and His righteousness first, an employment opportunity will be **ADDED** to you. Rather than trying to capture an opportunity in your own strength, the Lord has given you another alternative...**HIS GOVERNMENT!**

Getting back on your feet may have been easier before COVID-19 but times have changed. What was once easy is proven to be difficult. What was once accessible is now rare. What was plentiful is now lacking.

The Kingdom of God is your best option! Try it. I do not think you will be disappointed. To learn more about the Kingdom of God read the teachings in the Wisdom Store. <https://www.wisethoughts.net/store?page=1&perPage=24&catId=10>

*Study the Kingdom
of God by
Reading, Watching
and Listening*

*If you give God
your time He will
give you His
treasure.*
