

# ATTACK ON BLACK

Psalm 91: 1-16 says, "Those who go to God Most High for safety will be protected by the Almighty. I will say to the LORD, "You are my place of safety and protection. You are my God and I trust you." God will save you from hidden traps and from deadly diseases. He will cover you with his feathers, and under his wings you can hide. His truth will be your shield and protection. You will not fear any danger by night or an arrow during the day.

You will not be afraid of diseases that come in the dark or sickness that strikes at noon. At your side one thousand people may die, or even ten thousand right beside you, but you will not be hurt. You will only watch and see the wicked punished. The LORD is your protection; you have made God Most High your place of safety. Nothing bad will happen to you; no disaster will come to your home.

He has put his angels in charge of you to watch over you wherever you go. They will catch you in their hands so that you will not hit your foot on a rock. You will walk on lions and cobras; you will step on strong lions and snakes. The LORD says, "Whoever loves me, I will save. I will protect those who know me. They will call to me, and I will answer them. I will be with them in trouble; I will rescue them and honor them. I will give them a long, full life, and they will see how I can save."

The attempted murder against Jacob Blake was horrific. Unfortunately, Jacob Blake is another statistic of black people being violated by the Police Department.

If you have a soul, watching the violence against Jacob Blake should break your heart. With the countless black people who have been the victim of police brutality there is a sense of hopelessness in the air. Questions swirl in people's minds.

Will things ever get better for black people? Where can I go to feel safe? What should I do if I am pulled over? Why am I hunted based on the color of my skin? These questions and much more remain

“If you’re not ready to die for it, put the word ‘freedom’ out of your vocabulary.” - Malcolm X

“If you can’t fly then run, if you can’t run then walk, if you can’t walk then crawl, but whatever you do you have to keep moving forward”. - Dr. Martin L. King

## EMBRACE THE CULTURE OF THE KINGDOM OF GOD

### WHAT DO I MEAN?

The culture of the kingdom of darkness is influencing these evil individuals to gun down unarmed black men. No person deserves to be gunned down.

However, if you are not submitted to the culture of the Kingdom of God, the Kingdom of darkness will have easy **ACCESS** to destroy you.

Think about it. Black people’s rights are not being respected. Our voices are not being heard. Our marches are not taken seriously. The people who are suppose to protect us are killing us. What other recourse do black people have?

Black People have to govern themselves under the culture of the Kingdom of God. This is **NOT** religion, church or your pastor. This is a lifestyle of **RIGHTEOUSNESS** that King Jesus is responsible for.

**NO HARM** will come to you when you are submitted to this culture. When you cannot go to the police, government or local officials for safety, **COME TO THE LORD.**
