

KINGDOM MATHEMATICS

By: Fountain Hendricks

In the Kingdom of God mathematics plays a huge part in the functionality of how things work. In the Kingdom there is a system of how God **ADDS, MULTIPLIES, SUBTRACTS AND DIVIDES**.

The mathematics of the Kingdom of God are contrary to the academic standards of the world. God's mathematics is not focused on totaling a numerical value. It is focused on producing a higher **QUALITY** of life.

KINGDOM ADDITION

Mathew 6:33 says, "*But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.*"

When the Kingdom **ADDS** to your life it is **BUILDING** on the **QUALITY** of your life.

Whatever is added will increase. Whatever is added will become stronger. Whatever is added will get bigger. Whatever is added will grow.

Our society struggles, fights and grinds over things to be added to them. They compromise their morals to add things. They jeopardize their health to accumulate more things. In the Kingdom of God, the Lord **ADDS** unto you on the condition of you seeking His Kingdom and righteousness first.

There is an unlimited supply of God's goodness in His Kingdom. As long as you meet His criteria He will continue to **ADD** unto you whatever you need.

The Lord wants you to be wealthy and whole in all areas. Wealth is accumulated by adding more to what you already have. The more things added unto you, the wealthier you will become.

Do not listen to the world when they tell you to get more. Obey the standards of the Kingdom of God and it will **ADD** the things you need unto you. The world gives you the blessing that comes with sorrow. The Kingdom gives you the blessing that adds **NO** sorrow.

KINGDOM MULTIPLICATION

Genesis 1:11 says, *"And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so."*

When the Kingdom **MULTIPLIES** on your behalf it is expanding your reach and territory. Multiplication emphasizes that one can produce many. Everything that has a seed has the potential to multiply, including **YOU**. You are full of seeds. God designed you to produce more of who you are.

HERE'S WHAT I MEAN

- Your **THOUGHTS** should materialize into numerous **ACTIONS**.
- Your **RESOURCES** should produce **IDEAS** that can change this world.
- Your **WORDS** should inspire multitudes of people to **GROW** and **IMPROVE**.

If you are not multiplying you are deemed to be irresponsible in the Kingdom of God. Responsibility is **STEWARDSHIP, ACCOUNTABILITY** and **TRUSTWORTHINESS**. When God gives you something He does not want you to give it back to Him the same way He gave it to you.

He wants you to return it to Him maximizing its full potential. For example, if He gives you an apple seed He wants an apple tree in return. If He gives you a house He wants a home in return. If He give you a pure baby boy He wants a righteous man in return.

This is called being responsible and multiplying. When the Kingdom of God gives you seed it wants you to produce **MORE** of its own kind, similar yet different.

KINGDOM SUBTRACTION

John 6:60-66 says, *"When the followers of Jesus heard this, many of them said, "This teaching is hard. Who can accept it?" Knowing that his followers were complaining about this, Jesus said, "Does this teaching bother you?"*

Then will it also bother you to see the Son of Man going back to the place where he came from? It is the Spirit that gives life. The flesh doesn't give life. The words I told you are spirit, and they give life.

*But some of you don't believe." (Jesus knew from the beginning who did not believe and who would turn against him.) Jesus said, "That is the reason I said, 'If the Father does not bring a person to me, that one cannot come.' "After Jesus said this, many of his followers **left him and stopped following him.**"*

When the Kingdom of God **SUBTRACTS** people from your life it will bring value to your life. Subtraction is not a bad thing in the Kingdom, it is necessary. For example,

- God wants **SIN** to be **SUBTRACTED** from your life so you can **INCREASE** your **VALUE** in **RIGHTEOUSNESS**.
- God wants **EVIL** and **WICKED** people to be **SUBTRACTED** from your life so you can have more valuable **CONNECTIONS**.
- God wants **DOUBT** to be **SUBTRACTED** from your life so you can **VALUE THE POWER OF FAITH**.

Subtraction in the Kingdom adds value. Nothing new can be added until something old is subtracted. Subtraction is **NOT** the same as lack. Lack is when you lose something and don't get it back. Subtraction is when something is taken, yet replaced.

Lack is not part of the Kingdom of God. It is a **CURSE** for disobeying the laws of the Kingdom of God. When you see people walk away from you, don't fret, God will send new ones. When you see opportunities subtracted from you, don't fret, God will provide another one. Remember, God always subtracts so He can add value.

KINGDOM DIVISION

Mathew 25:33 says, *"The Son of Man will put the sheep on his right and the goats on his left."*

The Kingdom divides for the purpose of **FAIRNESS!** Dividing the sheep's from the goats enables King Jesus to treat everyone fairly. The Kingdom of God does not promote equality. It promotes fairness.

When God separates you from people you love or have affection for don't be alarmed. He is positioning you to receive a certain type of treatment. If you are on God's

RIGHT SIDE you will receive His goodness. If you are on God's **LEFT SIDE** you will receive His punishment.

King Jesus is not interested in who you are fond of. He is interested in how you are aligned with righteousness. He divides people based on who's righteous and whose unrighteous. Kingdom division is necessary for eternal salvation.

When you understand Kingdom mathematics you won't be surprised at the changes life throws at you. Every loss isn't bad and every blessing isn't a burden. The next time your life shifts, think about how King Jesus is arranging you for exaltation.
