

20 wisdom ways

20 WAYS PEOPLE CAN HONOR YOU

By: Fountain Hendricks

Honor is not something that is promoted in this world. It is not something you hear about on a daily basis. It is not something people make an effort to do. However, it is highly important for you to know about.

In the Kingdom of God, the Lord **HONORS** His citizens by sending **OTHER** people to honor them. Listed below are twenty ways people can honor you. Honor is a term of **ROYALTY, VIRTUE** and **REVERENCE**.

People who demonstrate righteous living, excellent behavior, good character and incorruptible values become worthy of honor. Honor is not given, it is **EARNED**.

Romans 12:10 says, "*Love each other like brothers and sisters. Give each other more honor than you want for yourselves.*"

When people see you are worthy of honor they will give you what you deserve. Per our Constitution (Bible) the Lord will always send people who will give you more honor than they want for themselves. Listed below are ways people will honor you.

1. **GIVE YOU A COMPLIMENT:** It feels good to receive compliments. It brings a smile to your face when you hear compliments. When people give you a compliment in regards to what you're doing or who you are it is an act of honor.
2. **TREATING YOU WITH RESPECT:** The feeling of disrespect angers people. It is a display of worthlessness. When people give you the upmost

respect by addressing you by your title or last name it is an act of honor.

3. **BRINGING YOU A GIFT:** When people bring you a gift to celebrate your accomplishments, goodness or stature it is a privilege. Most importantly, it is an act of honor.
4. **GIVE YOU PRAISE:** Receiving praise is a joy. When people tell you how great or wonderful you are their verbal adulation is an outward demonstration of honor.
5. **GIVING YOU CREDIT FOR YOUR ACCOMPLISHMENT:** It is pleasing to hear people give you credit for the work you do. It is discouraging to see people overlook your efforts. One of the greatest acts of acknowledgement is issuing credit to the people who deserve it which is why this is an act of honor.

6. **RECEIVING FAVOR:** When people favor you they show you kindness. In this cruel and selfish world, receiving kindness is not common. When you receive kindness from people it is an act of honor.

7. **WHEN PEOPLE EXTEND SUPERIOR TREATMENT TOWARD YOU:** When people take the time to put your needs ahead of their own and to put your wants ahead of their needs it is an act of honor.

8. **THE RECEPTION OF RECOGNITION:** When people choose to notice you in the midst of a crowd or to highlight your difference they are recognizing your individual uniqueness. Recognition is an act of honor.

9. **PAYING TRIBUTE:** When people pay tribute to your legacy and contribution to life it is an act of honor. People leave this earth everyday and most of them are not honored with a tribute because very few people leave a contribution worth honoring.

10. **BEING PROMOTED OR ELEVATED:** Promotion is an acknowledgement of excellence. When people elevate you to a higher level they are honoring your work of excellence.
11. **WHEN PEOPLE LEND THEIR EAR TO LISTEN TO YOU:** When people choose to listen to your problems, advice, etc they are honoring your voice. Their willingness to listen to you says that your voice matters to them.
12. **GIVING YOU THEIR ATTENTION:** When people give you their attention this is deeper than someone giving you their ear. If a person gives you their full attention they are acknowledging your importance which is a demonstration of honor.
13. **GIVING YOU ESTEEM:** Esteem is a high regard of admiration. When people admire who you are and what you do they will attempt to imitate or emulate your ways which is a demonstration of honor.

14. **PEOPLE GIVING YOU THEIR CONFIDENCE:** When people offer you their confidence they are extending their full trust to you. Their trust is a display of their dependency in what you do or who you are. When people choose to depend on you it is an act of honor.
15. **RECEIVING ADULATION:** Devotion and dedication is the evidence of adulation. When people choose to be dedicated and devoted to your cause, agenda, plans and goals it is the demonstration of honor.
16. **BEING GIVEN MORE:** When people give you more privileges, advantages, power, wealth, rank, etc they are rewarding you. Being given more is a responsibility and an honor.
17. **BEING RECOMMENDED:** When people recommend you to do something they are risking their reputation on your behalf. The act of thinking about you first is proof of honor.

18. **BEING ENDORSED**: When people give you their endorsement, which is their **APPROVAL** they are trusting your character. It is the ultimate validation that you are worthy of honor.
19. **RECEIVING CONSIDERATION/THOUGHTFULNESS**: To be thought of first feels humbling. With all the things going on in people's mind, your name being on the fore front speaks volumes. When people think of you as a priority this is an act of honor.
20. **POSSESSING INFLUENCE**: When people submit to your judgments, will and opinions this is the greatest act of honor. To have influence with and over people is the most visible display of receiving honor.
