

SEEK

The Kingdom of God and His righteousness

By: Fountain Hendricks

Mathew 6:33

The word seek is a loaded word. To seek means to **RESEARCH, ANALYZE, EXPLORE, EXAMINE, FOLLOW, INVESTIGATE,** and **CHASE.** Seeking the Kingdom of God and His righteousness is a life long journey.

Seeking the Kingdom of God is the most important and only thing you are to do on this earth. Mathew 6:33 says, *"But seek ye **first** the kingdom of God, and his righteousness; and all these things shall be added unto you."*

UNDERSTANDING THE KINGDOM

To seek the Kingdom of God and His righteousness
means to...

- **RESEARCH:** Research is the systematic study of materials and sources in order to establish facts and reach conclusions. *The Kingdom of God is a systematic governmental country that is a mystery to the untrained eye. To discover its secrets and functionality requires massive research.*
- **ANALYZE:** To analyze is to examine critically and in detail for the purpose of identifying causes, key factors and results. *The Kingdom of God is a country. You cannot look at a country from a distance and understand how it works. To learn the laws, to embody the culture, to speak the language, etc you must analyze the contents of the Kingdom of God.*
- **EXPLORE:** Exploring is scrutinizing. *God wants you to scrutinize the Kingdom of God. He wants you to dissect scripture so you can understand the benefits, advantages and blessings of His Kingdom. God wants you to ask questions and brain storm on His teachings.*

- **FOLLOW:** To follow means to go after or move behind in the same direction. *The Kingdom of God cannot be received by being passive. Aggressive people experience the full manifestation of the Kingdom. If you wait for God's Kingdom you will never find it. If you pursue it, you will discover it.*
- **INVESTIGATE:** To investigate is to study and learn whatever is hidden. What you study you will remember. What you learn you will apply. *God commands us to keep His Word close to our heart. In order to do that you have to invest the time to investigate what He said so you can implement what He said.*
- **CHASE:** To chase is to pursue with the intent of capturing what you are aiming for. Proverbs 21:21 says, *"He that followeth after righteousness and mercy findeth life, righteousness and honour."* *If you chase after righteousness you will find prosperity, honor and life. Attaining earthly and natural success is dependent on your willingness to chase righteousness in the Kingdom of God.*

Make it your life's work to **SEEK** the Kingdom of God and His righteousness. If you do this you do not have to worry about anything else. This will be the most important statement you will ever read.

The biggest mistake people make in life is chasing everything **EXCEPT** righteousness. Whether you realize it or not, everyone is seeking something. Most people seek the wrong thing. Seeking is not an unusual task. It is highly misunderstood.

If you seek **ONLY** the Kingdom of God and His righteousness your dreams will come true. Your worries will go away. Your struggle will cease. Your happiness will never end and life will work for you rather than you working for it.
