
EVERYTHING YOU NEED IS ALREADY HERE

Everything you need is already on the earth. If you do not have what you need it is because you haven't discovered it yet. **DISCOVERY** is the key to finding whatever you need, **NOT** prayer.

I know I may get in trouble with this statement but it's the truth. Prayer keeps you connected to the voice of the Holy Spirit. Discovery exposes you to what has a desire to be hidden.

You will find what you are willing to **RESEARCH**. You will find what you are willing to **EXPLORE**. You will find what you are willing to **LISTEN** to. You will find what you are willing to **LEARN** about.

A closed minded person will always stay ignorant to what can potentially help them. A stubborn person will prevent themselves from improving their lives because they refuse to hear another perspective.

People stay poor because they **DO NOT** want to seek. If you are waiting for people to provide something to you or the television to tell you what to do you will not get what you need. You will continue to wish for what you need.

EVERYTHING YOU NEED IS ALREADY HERE. IT IS WAITING FOR YOUR PURSUIT.

Mathew 7:7 says, "*Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you:*"

The money you need is here on the earth. The opportunities you need are here on the earth. The relationships you need are here on the earth. The resources you need are here on
