

CHURCH COME FORTH

COVID HAS **NO** POWER OVER YOU!

VARIOUS WAYS TO BRING IMPACT

- FEED THE HUNGRY
- WALK IN DIVINE HEALTH
- SHOW PEOPLE HOW TO LIVE PROSPEROUS
- DEMONSTRATE THE POWER OF RIGHTEOUS LIVING
- SOLVE IMMEDIATE PROBLEMS AROUND YOU.
- STAY POSITIVE WHILE OTHER PEOPLE ARE NEGATIVE.
- KEEP A GREAT ATTITUDE.
- BE THE CHANGE PEOPLE ARE DESPERATE TO SEE.
- LIVE A LIFE OF JOY.

In this crazy, uncertain yet historic time the church has an opportunity of a lifetime. This is the **BEST** time to show the world that our belief, values and perspective is the truth **ABOVE** all religions and stereotypes.

With the world begging for relief from lack, pain, death, disease, strife and fear the church could **EASILY** demonstrate the power of the Kingdom of God. However, I am concerned that the church is missing this opportunity.

I have been watching the news, reading various

articles from credible sources and following the blogs. However, I do not hear nor see the church **LEADING** the charge to highlight the Kingdom of God.

Once again the church is an invisible entity waiting for the world to solve its own problems. Have you heard CNN mentioning the church leading the world in solutions during this Covid era? Have you heard MSNBC, FOX NEWS or CBS talk about the churches impact during this historic time? I haven't.

I'm not saying that people should advertise the good they do to attain attention but if you make a huge impact your work will advertise itself. When King Jesus walked the earth, He did not have the internet, social media or satellite radio to broadcast His works.

His **WORKS** became so impactful to people that everyone knew about it. In a time where people were bound by tradition, Jesus brought transformation! This was a huge! In the era of Covid-19 if the church brought the Kingdom we could have a **GREATER IMPACT** than King Jesus.

John 14:12 says, "*Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do;*

because I go unto my Father."

This is the churches chance to do greater works but unfortunately the church is not maximizing this opportunity. Do not follow the insufficiency of the church.

MAKE A DIFFERENCE!

To people who are lost in confusion, bring them to a place of clarity. To people who are trapped in poverty, lead them down the road toward abundance. To people who are looking for salvation, show them the Kingdom of God and King Jesus. To people who are looking for relief from Covid-19 introduce them to the blood of Jesus.

This is an opportunity to **IMPACT** the world like never before. They are listening. They are hungry. They are seeking answers. Let's cater to that need and bring God to the forefront. Refer to this teaching called, "[Understanding your Kingdom Assignment](#)" for further insight.
