

SOW WITH EXPECTATION

You can't reap what you don't look for

By: Fountain Hendricks

Hosea 10:12

Everyone sows! However, everyone does **NOT** sow correctly. Giving is the act of sowing. Whether you are giving time, money, resources, advice, compassion, mercy, kindness, etc, you are sowing.

The act of sowing will **NEVER** end. However, there is a divine system in place to ensure that you reap from what you sow. This system was established in the beginning of time by the Lord Himself.

To ensure you reap from the seeds you sow you **MUST** sow with **EXPECTATION**. Expectation is the prerequisite for receiving a harvest from God. If you sow **WITHOUT** carrying the spirit of expectation in your heart, you will **NOT** reap a harvest.

ARE YOU MISSING YOUR HARVEST?

A seed that is sown on good soil will always produce a harvest. However, just because the seed produces a harvest it does not mean you have reaped it.

Reaping a harvest implies you have **RECEIVED YOUR REWARD!** You cannot receive what you do not look for and you won't look for what you do not expect.

So many people do not understand the seed-faith concept because they have only been taught one side of it, which is the giving side. Unfortunately, they have not been taught how to reap.

It is important to understand that when goodness is presented to you, you need to **TAKE IT** with gratitude. Do not reject it. Do not give it back. Do not ignore it. **TAKE IT!** This is the Lord **REWARDING** you for sowing.

The biggest lie that holds people back from receiving their harvest is believing that they do not need to receive something back from what they gave. This theory is tragic. It is dangerous to believe this. You will block the blessings **GOD** wants to give you because you do not believe in being rewarded and compensated.

Proverbs 10:5 says, "*He that gathereth in summer is a wise son: but he that sleepeth in harvest is a son that causeth shame.*"

People who miss their harvest are shameful according to our Kingdom Constitution. It is disgraceful to reject your harvest. Do not believe religious jargon that emphasizes giving and **IGNORES** receiving.

LOOK FOR IT!

Hosea 10:12 says, "*Sow to yourselves in righteousness, reap in mercy; break up your fallow ground: for it is time to **SEEK** the Lord, till he come and rain righteousness upon you.*"

The Kingdom Constitution commands us to sow for our own benefit into the soil of righteousness and **LOOK** (Expect) for the Lord to give us a harvest. Do not look for people to reward you. Look for God to reward you.

In other words, you may not be rewarded by the people or places you sowed into. However, your harvest will come through other people and places. God is the source of every harvest. He uses people to deliver what is coming to you.

When expecting a harvest, **LOOK FOR GOD!** Not people. As you sow goodness, expect goodness to come back to you. Wake up excited, believing God is going to do something special, because He is.

**When goodness is offered to you, your
HARVEST HAS ARRIVED!**
