

WHY IS IT TAKING SO LONG TOO COMPLETE THE VISION?

By: Fountain Hendricks

Pslam 37:23

When God gives you a vision it is a picture into your future. When envisioning the Lord's vision for your life you see yourself at the **END** of the vision in your mind. However, that picture is **NOT** the reality.

That vision is His plan for your life. However, God's plan is **NOT** fulfilled immediately. It is accomplished over time. The Lord allows you to see what He has for you so you can be patient on the journey He is going to take you on.

**GOD SHOWS YOU THE VISION SO YOU WON'T GET
DISCOURAGED WITH THE JOURNEY.**

GOD ORDERS YOUR STEPS

God did not say He will order your leaps. He said He will order your steps. Psalms 37:23 says, "*the steps of a good man are ordered by the Lord: and he delighteth in his way.*"

There is no shortcut in completing the vision God has given you. God wants you to succeed with style, grace and integrity. This is why He orders your steps. Moving in steps allows you to build your character, mature in faith, learn void of pressure, make mistakes, etc.

Steps are seasons of **GROWTH**. The vision you see in the infancy stage will require you to endure multiple seasons of growth to get you **READY** to inherit the vision. The reason why it is taking so long too complete the vision is because you have to **GROW** into the vision. You do not walk into the vision.

GROWING IS DIFFERENT THAN WALKING.

Growing is a slower process than walking. Growing is more tedious than walking. Growing is more

unpredictable than walking. People grow in stages. However, they walk daily.

Here's the point, growing into your vision requires God to place you in circumstances that are **OUTSIDE** of your control. Walking into your vision requires you to **RECEIVE** the provision God has prepared for you.

The vision you see will require you to have a(n) uncommon level of understanding, wisdom, talent and patience. You do not develop this quickly. It is through trials, tests and tribulations that you become the person your vision requires.

THE SEED WITHIN YOU

The value that is in you are seeds of greatness that need to be cultivated and nurtured. These seeds are the tools that will be sharpened over time to make you proficient and efficient to the vision.

Like any seed, it needs to be developed because seeds are levels of greatness hidden in potential. As God orders your **STEPS** He is cultivating the seeds of greatness within in.

HERE'S WHAT I MEAN

- Every enduring trial is building your **TOLERANCE** and **PATIENCE**.
- Your trouble of dealing with difficult people is cultivating your **LEADERSHIP** ability.
- The test of temptation is nurturing your level of **UNDERSTANDING** about yourself.

All of life's circumstances orchestrated by God are meant to **PREPARE** you for the vision. Visions take long too manifest because your development process is **TEDIOUS**. Do not be discouraged if you have not seen your vision come to pass. Do not give up on your vision because it hasn't manifested.

The vision is not alleviating you. It is **WAITING** on you to mature so you can handle the responsibility it requires. Manifested vision is not the absence of responsibility. It is the **ADDITION** of responsibility!

GOD DEVELOPS YOUR ABILITY TO HANDLE GREAT RESPONSIBILITY!

At the end of the day, vision is **NOT** a short term goal. It is a long term mandate that God gives a person. When you get the vision, write it down, make it plain and remember to be **PATIENT** with the developmental process. Your vision will come true in its **DUE** season.

Habakkuk 2:2-3 says, *"And the Lord answered me, and said, Write the vision, and make it plain upon tables, that he may run that readeth it. For the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry."*
