

THE ENEMY OF IMAGINATION

By: Fountain Hendricks

Colossians 3:2

Focusing your energy on getting what you need robs you of the pleasure of dreaming about what you want. Living in survival mode **PREVENTS** you from dreaming, imagining, and envisioning your potential, possibilities and power.

It is difficult thinking about what could be when you are distracted with what you do not have. In other words, it is hard to channel your thoughts on future possibilities when your stomach is growling. It is hard to dream of maximizing your potential when you are struggling to pay your bills.

Surviving today's challenges robs you of reaching for your aspirations. This is why King Jesus told you that He would

add all things unto you if you sought the Kingdom of God and His righteousness **FIRST**.

Mathew 6:33 says, "*But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.*"

King Jesus understood that if you are focusing on the minor you will ignore what is major. He knows that poverty absorbs an enormous amount of energy in a person's life. This is why King Jesus makes **PROVISIONS** for you to live abundantly. He does not want you to be consumed with basic needs.

THE ENEMY OF IMAGINATION IS SURVIVAL!

You can't dream when you are desperate.

THINK ON WHAT IS ABOVE

Colossians 3:2 says, "*Set your affection on things above, not on things on the earth.*"

The Lord commands you to think on things that are above. In other words, **USE YOUR IMAGINATION**. Why? Because you are a child of the ultimate creator which gives you the D.N.A. to be creative.

Everything on the earth was created through the vehicle of imagination. Nothing has been manifested without imagination. Before anything can physically appear it must be **THOUGHT OF FIRST**.

The enemy wants to steal your ability to imagine. His desire is to stop the Kingdom's influence on the earth. The Kingdom grows when you receive **IDEAS** from Heaven. The only reason the evilness in this world enhances is because people think of new ways to do evil.

Romans 1:28-31 says; "*And even as they did not like to retain God in their knowledge, God gave them over to a*

reprobate mind, to do those things which are not convenient; Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, Backbiters, haters of God, despiteful, proud, boasters, **inventors of evil things**, disobedient to parents, *without understanding, covenant breakers, without natural affection, implacable, unmerciful.*”

Evilness grows because people **IMAGINE** new ideas for the purpose of manifesting evilness. Think about it. Where did the term “*non-binary*” come from? When did the term “*sexually fluid*” come into existence? Where did the phrase “*gender identity*” come from? These are ideas that came from an evil imagination.

BUILD THE KINGDOM

It is time for righteous people to dream again. The only thing that can combat the growth of evilness is the **IMAGINATION** of **RIGHTEOUSNESS**. When righteous people are living abundantly their mind will be **FREE** to

think of witty inventions, political solutions, industrial monuments and so much more.

If righteous people do not dream, they will be forced to live with the manifestations of evilness. The Kingdom is built by the **IDEAS OF HEAVEN**. God's will is to bring the culture of Heaven to the earth. However, that cannot happen if your mind is stuck in survival mode.

The theft of righteous people's imagination is one of the greatest heist ever committed. By stealing the imagination of righteous people the enemy has created a path for evilness to prosper. Let's combat this agenda by allowing God to add all things unto you per the Kingdom of God so you can focus on bringing Heaven's ideas to the earth.

**YOU CANNOT BUILD THE KINGDOM
WITHOUT HEAVEN'S IDEAS!**
