

LIVING A LIFE UNINTERRUPTED

By: Fountain Hendricks

2nd Samuel 12:11-18

COVID-19 has taught us that an interrupted life **REDUCES** the quality of it. It does not matter if you have money, talent, resources or relationships. An interrupted life shifts everything!

WHAT IS AN INTERRUPTED LIFE?

An interrupted life is the activation of **DISRUPTION** and **BROKENNESS**. When life is interrupted what was normal becomes abnormal. What was helpful becomes hurtful. What was beneficial becomes burdensome. What was quick becomes slow. What was progressing is now delayed.

Covid-19 has done this to our world because of people's **DISOBEDIENCE TO GOD!** Disobedience invites God's judgement. Covid-19 has shut down the Restaurant

industry, overwhelmed the Healthcare industry, devastated the Entertainment industry, crippled the Sports industry, shattered the School system and collapsed our Government.

Our nation invited this disruption to our way of life. Think about the massive amount of disobedience this world has condoned, approved, sanctioned, legalized and celebrated. From the desecration of marriage to the legalization of homosexuality and marijuana usage this nation has gone to hell.

We have totally abandoned the ways of righteousness. What happened when the people in Sodom and Gomorrah abandoned the ways of righteousness? God **DISRUPTED** and eventually destroyed their environment.

What happened when David killed Uriah to covet Bathsheba? God interrupted his home life by punishing his family. 2nd Samuel 12:11-18. What happened when

King Saul disobeyed an instruction from the Lord? His life was disrupted by God. Refer to 1st Samuel 15:1-23.

When you are disobedient to the laws of the Kingdom of God and the Holy Spirit's commands your life **WILL BE INTERRUPTED**.

AVOID INTERRUPTIONS

There is only way to avoid life occurring interruptions...**OBEDIENCE TO GOD**. Obeying the voice and laws of God will prevent delays, denials and disruptions.

Obedience to the Lord **ALLOWS** you to progress without opposition. It **ALLOWS** you to build without a storm. It **ALLOWS** you to **WORK** without distractions.

Obedience to God invites positive change. Disobedience to God invites negative change. The quality of your life is dependent upon your obedience to God.

Quality is enhanced when things continuously get better. However, when your life becomes inconsistent due to disruption, interruptions and delays, the quality reduces. Do yourself a favor and **OBEY** God. Obedience to God is the difference between quality and discomfort, ease and difficulty, comfort and pain.

Deuteronomy 28:1-2 says, *"You must completely obey the Lord your God, and you must carefully follow all his commands I am giving you today. Then the Lord your God will make you greater than any other nation on earth. Obey the Lord your God so that all these blessings will come and stay with you."*
