

WHERE TO FIND WISDOM

By: Fountain Hendricks

Proverbs 15:2

You can find wisdom in **ANYTHING** but **NOT** in anyone. Every intangible object has a message of wisdom attached to it. However, people can be totally void of wisdom. Proverbs 15:2 says, "*Wise people use knowledge when they speak, but fools pour out foolishness.*"

The notion that you can learn from anyone is true. However, incomplete. You can learn from anyone but you **CANNOT** follow everyone. When you find wisdom it gives you a path to follow, a blueprint to trust and a proven concept to emulate.

FINDING WISDOM

Wisdom is the most important thing on the earth.

Proverbs 4:7 says, "*wisdom is the most important thing; so*

get wisdom. If it cost everything you have, get understanding." NCV. Without wisdom you cannot accomplish anything. It is the foundation for building, finishing and creating results.

With the abundance of foolishness in the world, finding wisdom can seem like a daunting task. The good news is, you can find wisdom in **ANYTHING**. Wisdom is in your livingroom, car, job, etc.

This may sound silly but it's true. Here's what I mean. The wisdom that is hidden in your living room is that everything has a **PLACE**. When things are placed in **ORDER** they max out its greatest potential.

Here is a wisdom nugget: When you put things in **ORDER** in your life, you will reach your highest potential and functionality, similar to your living room.

The wisdom that is hidden in your car is the power of **UNITY**. When all things are working together you will go

far. When every mechanical mechanism is working together in your car there are no problems. This same principle applies to life. When there is unity in your life, problems decrease.

The hidden wisdom at your job is the power of problem solving. The workplace is the dominant area where you are rewarded for problem solving. The workplace teaches you that problems are doors for **OPPORTUNITY**, not opposition.

You can find wisdom in **ANYTHING** if you are willing to look for it. You will always find what you are looking for. Mathew 7:7 says, "*Ask, and God will give to you. Search, and you will find. Knock, and the door will open for you.*"
NCV.

If you can find wisdom in everything around you it will benefit you greatly! Everything you need is already here, you have to **DISCOVER IT**. Discovery is the secret for **UTILIZATION**.

WHAT YOU ARE ABLE TO SEE WILL DECIDE HOW
SUCCESSFUL YOU WILL BE!

POOR AND RICH MEN

The difference between poor and rich men is how they **SEE** time. Poor men see time as numbers on a clock. Rich men see time as an **OPPORTUNITY**. Time is a block of opportunity to get something done.

The way rich men see time empowers them to stay ahead of the crowd. It allows them to create the narrative others follow. It enables them to set the tone others submit too. They take that block of opportunity and make a **BIGGER** opportunity for themselves which is why the rich get richer!

Wisdom has been here since the beginning of time and it will be here when you are gone. While you are here get as much as you can so you can live better than most people.

You do not have to search far for wisdom. Just look near you and **OPEN YOUR EYES!**

ASK THE HOLY SPIRIT TO OPEN YOUR EYES TO
SEE THE REVELATION OF WISDOM AROUND YOU.
IF YOU ASK, HE WILL DELIVER!
