

# HOW TO PROFIT FROM YOUR CAREER

By: Fountain Hendricks

Isaiah 48:17

Isaiah 48:17 says, *"Thus saith the Lord, thy Redeemer, the Holy One of Israel; I am the Lord thy God which teacheth thee to profit, which leadeth thee by the way that thou shouldest go."*

Profiting from career success is not about attaining money. The word profiting in this context of scripture per the Hebrew dialect means to be **VALUABLE** and to **ASCEND**.

The Lord will not teach you to make money. The Lord will teach you how to make yourself **VALUABLE** and rise to a higher degree or rank. King Jesus understands that making money does not increase your value. However,

becoming **VALUABLE** will **ALWAYS** cause you to make money.

## VALUE

The Lord teaches His people how to become valuable by educating them to the **VALUES** they need to live by.

Living by the standards of righteousness will empower you to become valuable to other people. Listed below are a list of righteous values that will make you valuable in your career.

- When you have **INTEGRITY** the Lord will add blessings unto you. Proverbs 28:20
- When you are a **HARD WORKER** the Lord will position you for leadership. Proverbs 12:24
- When you are **TRUSTWORTHY** the Lord will add blessings unto you. Proverbs 28:20

- When you are **SKILLED** in your work you will work with people who hold significant positions. Proverbs 22:29
- People who practice **DILIGENCE** will be rewarded with abundance. Proverbs 13:4

Building upon these particular values will help you become valuable to God and to people. These attributes are assets in the spiritual **AND** natural realm. Practicing these behavior and cultural attributes will ensure you having career success.

## ASCEND

The Lord teaches His people how to ascend. Ascending in the career realm is raising people to a higher point of rank. The method the Lord uses in teaching His people how to ascend is showing them how to **SPEAK**.

People are promoted on their jobs for many reasons. However, the most common reason is

**COMMUNICATION.** The way people communicate can decide if a person will be favored or negatively targeted.

- People who **WATCH** what they say protect their reputation, character and position. Proverbs 13:3
- People who speak words that heal, mend, restore and revive will be labeled as **PEACEMAKERS**. These types of people are treasures. Proverbs 15:4
- People who speak the **RIGHT** words at the right time will receive a righteous reward in the workplace. Proverbs 15:23
- People who know how to **RESOLVE** problems and **QUAIL** troubles will be valued as problem solvers. The Lord will aid His people in learning this skill so they will be rewarded appropriately. Isaiah 1:17

Profiting is a benefit that will help you prosper and have longevity in your career. Do not chase money while

pursuing your career. Become a person of **VALUE** (profit) and the success will follow. People who have prospered in their career have understood how to make themselves irreplaceable and extremely valuable.

Diamonds never got out of style no matter the circumstances because it never loses value. A Bentley never goes on sale no matter the state of the market because it does not lose its value. The Louis Vuitton brand is highly sought after in a distressed economy because it does not lose its value.

Value **OVERRIDES** circumstances! If you are valuable in the workplace, no matter what happens around you it will **NOT** affect you. This is how you **GUARANTEE** career success.
