

# MORE THAN A CONQUEROR

By: Fountain Hendricks

Romans 8:37

Romans 8:37 says, "*Nay, in all these things we are **MORE** than conquerors through him that loved us.*"

We are more than conquerors. However, what is the more? Being a conqueror is nothing minor. People who conquer what is in front of them defeat their opposition and taste victory.

It is admiring when someone is considered to be a conqueror. However, in the Kingdom of God, our King says we are **MORE** than conquerors. There is only one thing that is greater than a conqueror and that is **KINGSHIP**.

Kingship is **RULERSHIP**! Revelation 1:6 says, *"And hath made us kings and priests unto God and his Father; to him be glory and dominion for ever and ever. Amen."*

We were created to be kings. We were destined to rule, reign and walk in dominion. As kings we do not have to conqueror, we **CONTROL**!

Conquerors **FORCE** their way to victory. Kings **SPEAK** victory into existence. Kings do not fight with their fist. They fight with their **MOUTHS**. Here's what I mean:

Proverbs 18:21 says, *"What you say can mean life or death. Those who speak with care will be rewarded."*

Ecclesiastes 8:4 says, *"What the king says is law; no one tells him what to do."*

Proverbs 15:4 says, *"As a tree gives fruit, healing words give life, but dishonest words crush the spirit."*

King Jesus did not intend for you to struggle to be victorious. He appointed you as the victor. Fighting for victory and being created for victory is completely different.

Conquerors fight for victory. Kings **INHERIT** victory. As kings your inheritance is His Kingdom and in His Kingdom there is no defeat or struggle.

## YOU MUST BELIEVE IT!

In the Western world we do not hear the term King, Kingdom or Dominion in casual conversations. In order to reap the blessing of Kingship you must honor the most vital scripture in God's Constitution.

Mathew 6:33 says, "*But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.*" The Kingdom of God must become your **PRIORITY**.

To understand the concept of Kingship takes massive effort, then to believe it takes more effort. Until the Kingship mentality attaches itself into your thought life you will be living as a conqueror, fighting for what was given to you and struggling for the things you should be controlling.

God **NEVER** called us to be conquerors! He told us we were **MORE!** Accept your Kingship.
