

# THE MENTALITY OF A KING

By: Fountain Hendricks

Revelation 1:6

You were created to be a king. You were made to be a king. It is within your D.N.A. to live like a king. However, you cannot live like a king thinking like a peasant. You cannot live like a king, ignorant to the thoughts of a king.

Revelation 1:6 says, "*And hath made us kings and priests unto God and his Father; to him be glory and dominion for ever and ever. Amen.*"

A mentality is the **OUTLOOK** of a person. What is your outlook on life? What is your outlook regarding your future? What is your outlook as it pertains to your purpose? These are questions that need to be asked to determine if you are thinking like a king?

After asking yourself these questions you may discover that you think like a peasant rather than a king. The outlook of a king is like an Eagle. Eagles fly high and look low. Eagles **SOAR** in the air without resistance. Do you think like an Eagle or a chicken?

**LISTED BELOW ARE STATUES AND PRINCIPLES  
OF A KING'S MINDSET.**

- Kings **CREATE** the circumstances for other people to endure.
- Kings **SET THE CULTURE** for people to follow.
- Kings gives **DIRECTION** and **VISION** to govern their environment and circumstances.
- Kings **CREATE** the environment around them.
- Kings **CREATE** the future that others follow.

- Kings **BUILD** the foundation other people stand on.
- Kings **ESTABLISH** the atmosphere of their territory.
- Kings **CREATE** the rules other people follow.
- Kings **ENFORCE** God's Kingdom laws on the earth.
- Kings speak to **INFLUENCE**, not gossip.
- Kings think about how to **IMPROVE** and make things better.
- Righteous kings establish a code of **RIGHTEOUSNESS** in their territory.
- Kings do not tolerate anything. They **CHANGE** everything.
- Kings **PLAN** the future so they can control it. They leave nothing up to chance.

- Kings think **LONG TERM** to ensure that their reign will last for a long time.

If you really pay attention to the principles above, doesn't this remind you of King Jesus? When King Jesus was on the earth He demonstrated **ALL** of these principles throughout His ministry.

There is nothing like a King. Kings are in a class by themselves. The thought patterns are drastically unique to anyone else. The Kingdom Constitution says it best.

Proverbs 25:3 says, "*No one can measure the height of the skies or the depth of the earth. So also no one can understand the mind of a king.*"

When you upgrade your thinking to King status that is when you will see things others cannot see. You will hear things others are deaf too. You will envision things others are blind too. You will imagine things others cannot conceive. You will be in a class by yourself.

KING'S LIVE UNCOMMON LIVES BECAUSE  
THEY ARE UNCOMMON THINKERS!
