

A NEW GOVERNMENT

By: Fountain Hendricks

Isaiah 9:6

The United States government is falling apart. It is unstable, weak, racist, biased and extremely unpresidential. The United States government has lost its influence with its citizens.

On January 6, 2021 there was a riot on Capital Hill in Washington DC. Thousands of Trump supporters violently intruded the nations Capital. This event was historically bad and unprecedented.

This calamity showed how frail, weak and disrespected our government is. This was the straw that broke the camels back. Many of Americans were uncertain with the United States government. After this event, it has convinced the doubters that this government cannot be trusted.

If you are feeling uncomfortable with America's government there's another government that is available. This government is **ROYAL** in its statures, **FAIR** in its decisions, **MERCIFUL** with its citizens and **STRONG** in its foundation.

THAT GOVERNMENT IS CALLED THE KINGDOM OF GOD.

The Kingdom of God is an invisible government that produces visible results. You cannot see this institution with your eyes but you will benefit from its fruit on the earth. This government is controlled by King Jesus. It is **NOT** governed by people.

The leadership of this government **NEVER** changes and its statues will last forever. You do not have to be relegated and imprisoned to the chaotic structure of the United States Government. There is a solution to this problem and it is called the Kingdom of God.

Before the breakdown of the United States Government King Jesus foresaw this. Before the calamity of the United States government, King Jesus brought a different government on His shoulders for people to flock to.

Isaiah 9:6 says, "*For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace.*" KJV.

King Jesus did not bring a religion. He brought a government for such a time as this. He knew that people would not need a religion.

King Jesus understood that people would need provision, protection, resources and leadership. This does not come through a religion. It is provided by a government.

If you want to be part of this government the door is open. The teaching, "[How to enter the Kingdom of God](#)" explains this. Click the link above to view the teaching. It

is foolish to trust a sinking ship, thinking it will save you. Unfortunately, that's what the American government has shown us.

With its lack of leadership, argumentative congressional members, uncertain direction and barren economy what is there to trust? How can you lean on government that can't govern itself? You can't!

Try the Kingdom government. You won't be disappointed. It has stood the test of time. It has lasted for centuries. It is a proven system and it works on **YOUR BEHALF**. If you want to experience the goodness of God's Kingdom, join His government!
