

WHO IS YOUR SOUL MATE?

Amos 3:3

By: Fountain Hendricks

Have you ever wondered who is your soul mate? Do you believe in a soul mate? A soul mate is a real thing. God has created someone for you who is **DESTINED** to be your soul mate. This person is **NOT** easy to find.

They need to be discovered. They need to be **REVEALED** to you. It is impossible to identify who this person is with the power of your own intellect. You **NEED** wisdom to see the hidden treasure.

Why? Because if God created them for you then He is the only one who can show them to you. A soul mate is a person who has the **SAME** spirit as you but they are **DIFFERENT** from you.

WINNING IN LIFE

A soul mate is the person you are **DESTINED** to **WIN** in life with. No one wins alone and you cannot win with everyone! You cannot succeed with anyone. You cannot prosper with somebody. Life is designed for you to win with your soul mate. A person who has the **SAME** spirit as you but they are **DIFFERENT** from you.

Think of a pair shoes. A pair of shoes looks the same but each shoe is designed to fit the left and right foot differently. The external look is uniformed but the **INTERNAL** feel is designed to be functional.

When you are discovering your soul mate they will have the same mind set, ideas, vision, agenda, emotional stability and tolerance. However, their approach to achieving these objectives will be different from yours.

Your soul mate will have the same mind, will and emotions as you but they will **COMPLIMENT** your weaknesses. People who are **NOT** your soul mate will compete with your strengths.

Amos 3:3 says, "*Can two walk together, except they be agreed?*" Similarities are essential for two people to be designated as soul mates. Why? Because accomplishments, achievements, accolades and progress are **MAJOR** indicators that the one you are with is your soul mate.

If you are experiencing more loses with the person you are with that is **NOT** your soul mate. If you are stagnant with the person you are with that is **NOT** your soul mate. If you are not reaching your **GOD-GIVEN POTENTIAL** with the person you are with that is **NOT** your soul mate. If you are not walking in your **GOD-GIVEN** purpose that is **NOT** your soul mate.

Your soul mate has been created for you to win in this life, not lose. This is why God said in Genesis 2:18 that it is not good for man to be alone. People **CANNOT** win alone! Someone has been created for your success.

HAVE AN OPEN MIND

Your soul mate does not have to be in your age bracket or part of your race or ethnic background. Your soul mate is the person who is designed to **FIT** you. Whether they're older or younger, bigger or smaller, shorter or taller, it doesn't matter.

IF THE SPIRIT AND SOUL ARE THE SAME, THAT'S THE ONE!

Do not close your mind to what is different. Be open to unique options. Your soul mate may not come packaged as you think. They will **NOT** have everything you externally desire but they will have everything you **NEED** inside of them to help you succeed in God's will.

The purpose of your soul mate is to protect, preserve and prosper your soul. If you are linked to the **WRONG** person the consequences are losing what God wants to protect. Mark 8:36 says, "*For what shall it profit a man, if he shall gain the whole world, and lose his own soul?*"

The danger of not discovering your soul mate is going to hell. Why? Everyone is the byproduct of their associations and closest connections. We are the fruits of our environment and surroundings.

God wants you to win on the earth. He also wants you to go to Heaven. A soul mate helps you to achieve **BOTH** goals. If you haven't found your soul mate make this a priority. If you have found your soul mate do not do anything foolish to lose them.
