

THE LAW OF ORGANIZATION

By: Fountain Hendricks

Genesis 1:1-31

Organization is a critical Kingdom law that you **MUST** apply if you want to see growth in your life. **NOTHING** grows in your life until you are organized. God will not add anything unto you until you are organized.

The **FIRST** thing God did in the Bible was establish order. Order was the foundation for all that we see. In Genesis 1:1-31 the Lord created the corner stones and structures of the earth **BEFORE** He allowed anything to grow.

PRAYER DOES NOT PRODUCE GROWTH.

A great multitude of people pray for growth. God does not give growth to people who pray. He gives and provides growth to people who are **ORGANIZED**. The

purpose of growth is to **EXPAND** what you have, not to lose what you have.

When things are dysfunctional and chaotic, if something is added to you it will be lost in the mess. Have you ever seen a hoarded house? If the answer is yes, then you can follow this analogy.

Nothing can be found in a hoarded house. You cannot tell if something new entered the house because it is camouflaged in the mess. No one will invest in a hoarded house. If your life is a hoarded mess, the same concept applies.

If your life is filled with dysfunctional relationships, mismanaged finances, an out of shape body, a doubtful spirit, a sinful lifestyle, etc you are **VIOLATING** the Kingdom law of organization.

ORGANIZATION INVITES GOODNESS!

GOOD things happen when you are organized. Here are a list of examples to consider.

Flowers **GROW FASTER** when there's no weeds.

#organization

A house attracts **MORE COMPLIMENTS** when it's clean.

#organization

People get **PROMOTED** when their work is done in excellence. *#organization*

Cars run **MORE EFFICIENTLY** when they are built correctly. *#organization*

Life is **SIMPLIFIED** when there is no drama.

#organization

A healthy body is able to produce **MORE ENERGY**.

#organization

Good things happen in the midst of organization. Results come faster when you are organized. Blessings come quicker when you are organized. Opportunities avail themselves to you when you are organized. Why? Because God is **PLEASED** when things are done decently and in order.
