

# ORDER OPENS THE DOOR FOR BIGGER BLESSINGS

By: Fountain Hendricks

1st Corinthians 14:40

How can God open a door for you to travel and your health is in disorder? How can God send you to business meetings and you do not have the proper clothing to wear? How can God give you more power and you are not spiritually grounded?

How can God give you more responsibility and your life is dysfunctional? How can God give you more resources and you are not maximizing what you have? The Lord has the ability to do **ALL** things. However, He won't do all things when He finds **DISORDER**.

Disorder stops God from doing more in your life. God will not add blessings on top of mess. If you want to

attract the resources and blessings of God then start by moving closer to order in **EVERY AREA** of your life.

The biggest problem we make as individuals is that we compensate in one area while abandoning the other areas. The goal in life is not to accumulate more. It is to **MANAGE** what you have. If you can manage what's small, He will bless you with something greater.

King Jesus has a desire to give you so much . His plan is bigger than your imagination. Jeremiah 29:11 says, *"I say this because I know what I am planning for you," says the Lord. "I have good plans for you, not plans to hurt you. I will give you hope and a good future."*

In order for God's plan too manifest in your life you must give Him **ROOM** to operate. Making accommodations to receive the goodness of God is **YOUR** responsibility! For example. If **YOU** keep yourself healthy, God opens doors to maximize your mobility.

If **YOU** stay debt free, God opens doors for you to prosper financially. If **YOU** keep your house up to date God will open doors for the value to increase on your home. If **YOU** continue to learn and master your craft the Lord will open doors for you to be promoted.

## ORDER ATTRACTS MORE!

People who are great managers know and understand how to put things in order. They understand balance, systems, processes, roles and responsibilities.

People who practice becoming better **MANAGERS** in their personal and professional life are always receiving opportunities to improve their life. They are not seeking opportunities. Opportunities are **ATTRACTED** to the way they manage!

God controls the universe by cause and effect, seedtime and harvest, sowing and reaping and Kingdom laws. Every action creates a reaction. Order is a magnet in

itself. Everything you are looking and praying for is most likely waiting for you to establish order.

A healthy home is **WAITING** for you to establish order in the home. A healthy financial life is **WAITING** for you to establish a debt free lifestyle. **YOU** have the power to change your life. God is waiting on you to make the change. This is why 1st Corinthians 14:40 says, "*let all things be done decently and in order.*"
