

AMERICA IS DUPLICATING THE SINS OF SODOM AND GOMORRAH

By: Fountain Hendricks

Ezekiel 16:49-50

America is repeating the same cycle of sins as Sodom and Gomorrah. The book of Ecclesiastes declares that there is nothing new under the sun. America was considered by many to be the greatest country in the world.

However, the accumulation of sins has degraded the quality of America. This country has involved itself in condoning immoral behavior, abominable acts, prideful dispositions and compounding sins.

The blatant audacity of America has angered God. America has relied on its strength and arrogance to

govern its people. America has adopted its own customs, culture and traditions while choosing to **IGNORE** God's commands and statutes.

Does this sound familiar? Didn't Sodom and Gomorrah do the same thing? They idolized abominable acts. They promoted their pride. This city kept compounding its sins without **NO THOUGHT** of repentance. America is walking toward the same disaster as this dreadful city.

Ezekiel 16:49-50 says, *"This was the sin of your sister Sodom: She and her daughters were proud and had plenty of food and lived in great comfort, but she did not help the poor and needy. So Sodom and her daughters were proud and did things I hate in front of me. So I got rid of them when I saw what they did."*

Please pay attention to the warning of the Lord. He is clearly saying that America is **DUPLICATING** the same fate upon itself that Sodom endured...**DESTRUCTION!** Destruction is the inevitable end for America.

WHAT ARE YOU GOING TO DO?

You have the option to make any decision you like. However, it would be wise to listen to the warning of the Lord. Do you want to endure the inevitable destruction that is coming to America? Do you want to go through the brokenness that this country is about to endure?

If the answer is no, consider this option. Consider moving and taking resident in another country. This sounds drastic but it is necessary. When Sodom got destroyed by God there was nothing left.

The city that was prosperous and comfortable is now rubble. The America you see today will not be the America you will see later. There are consequences for sin. Roman 6:23 says, "*The payment for sin is death. But God gives us the free gift of life forever in Christ Jesus our Lord.*"

God is not ignoring the sins of America. He has been patient, hoping this country repents. Unfortunately, this is not going to happen. America had become more confident, bold and boisterous about its sins just like Sodom.

Heed the word of the Lord. Start prepping for your **EXIT** now. Do not get swept away by God's judgement. Heed the warning so you can be saved by what is coming ahead.
