

BECOMING

By: Fountain Hendricks

Romans 12:2

Becoming is the most productive and powerful thing we can focus on. Becoming does not have a destination. It is a **JOURNEY**. It is a lifelong process. This is the beautiful thing about becoming something and someone. There is no end.

WHEN THERE IS NO END, THERE IS
ALWAYS HOPE.

One of the most under appreciated ideas about life is the ability to become whatever you want. We have been restricted in our thinking to live with limits and boundaries. We have been taught to settle for what's good and to accept what makes us comfortable.

These values stops us from reaching higher and going further. If you can, **IMAGINE** yourself doing what seems to be the impossible and improbable. Here's the point of the exercise. **IF YOU CAN SEE IT ,YOU CAN DO IT.**

The law of becoming allows every human on earth to go as high as **THEY DESIRE**. God did not put a limit on growth. He didn't cap how much you can have or how far you can go. That limit has been set by **YOU!**

THE ONLY THING STOPPING YOU IS YOU!

Romans 12:2 says, "*And be not conformed to this world: but be ye transformed by the **renewing** of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.*" KJV.

The key word in this passage of scripture is **RENEWING**. Renewing is a **CONTINUOUS** process of upgrading. The more you continue to renew your mind with new

information you have the ability to become something or someone different.

The law of becoming, highlights the unlimited potential a person has if they choose to use it. If you are making the same money and discontent with your salary, you haven't renewed your mind. If you don't like your life you haven't renewed your mind to change your circumstances.

If you are bored with your situation you haven't renewed your mind to add adventure to your life. Every discontented emotion comes from a **LACK** of mind renewal. The mind is like a car. If you drive a car too long without changing the tires and oil, its functionality and performance level will be extremely low.

It will never reach its full potential. Rather than the car lasting for ten years it will break down in three years. The same concept applies to the mind. If you do not renew your mind with new information so you can become

more than what you are, you will live a complacent, boring and substandard life.

In the Kingdom of God, when you disobey laws it carries a consequence. In this case, defying the law of becoming will prevent you from getting what you need and desire. Why? Because, as you become what you want you will become a **MAGNET** for what you need.

HERE'S WHAT I MEAN:

- When you become **VALUABLE** you will attract **SUCCESS**.
- When you become **HEALTHY** you will attract **ENERGY**.
- When you become **RESPONSIBLE** you will attract **MORE** to **MANAGE**.
- When you become more **SKILLED** you will attract more **OPPORTUNITIES**.

The list is endless but you get the point. The core of changing your life is backed by you **BECOMING** what you desire.
