

PEOPLE PERISH FOR THE LACK OF KNOWLEDGE

By: Fountain Hendricks

Hosea 4:6

Knowledge is information! The reason the one percenters are able to have the advantages in life is because they are exposed to information that the masses do not have access to.

The more information you have the better decisions you can make! Information changes situations. Social and racial disparities come from a **LACK** of information being shared.

One nationality is exposed to more information than another nationality. One demographic is exposed to more information than another demographic. One zip code is exposed to information more than another zip code. Disparities go on and on.

When you want to destroy a group of people, a neighborhood, a community or a nation keep them away from information. **LACKING INFORMATION GUARANTEES DESTRUCTION!**

Hosea 4:6 says, "*My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.*" KJV.

THE DEVIL'S STRATEGY

The devil is **NOT** after your house, car, money, etc. These things are shallow. They can be recovered if stolen. The devil wants to keep you **IGNORANT**. That is his primary goal. If he can blind you to what God wants to show you, he controls you.

You may be thinking, how? You can't change what you don't know. You can't fight what you don't understand.

You can't speak against what you don't know is wrong.
You can't stop what you don't know is coming ahead.

Your ignorance gives the devil the upper hand on you.
Your ignorance **EMPOWERS** him to **RULE** over you.
Remember, the devil stole the Kingdom away from Adam because of Eve's ignorance.

Isaiah 1:17 says, "*learn to do well; seek judgment, relieve the oppressed, judge the fatherless, plead for the widow.*"

You cannot learn what is beneficial and helpful until you are exposed to the **RIGHT** information. Black and poor people have been the victims of lacking information for generations.

Disadvantages and poor decisions does not come from a lack of ability. It comes from a lack of information. Most people choose the least and the worst because that is the level of information they have. Life can blind side you with pain, struggle, disappointments, and setbacks when you are lacking the information to prosper.

NEW DAY

With the presence of social media and the internet there is no reason you should lack knowledge. Utilize your time wisely. Do not look up stupid stuff that adds no value. We have the opportunity of a lifetime right before us.

The information that has been hidden for years is now available to be consumed and applied. Relational, financial and business information is available at an all time abundance.

If you put in the time to **SEARCH** you will find quality information. Do not settle for ignorance. Pursue knowledge. People who pursue knowledge are better equipped to making wise decisions.

**WHEN YOU STOP LACKING KNOWLEDGE YOU WILL
ACCELERATE YOUR PROSPERITY.**
