

MONEY IS YOUR MASTER

By: Fountain Hendricks

Chapter 4: VISIONS, PICTURES and IMAGES

2nd Corinthians 10:4-5 says, *"for the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;) casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ."*

The images, visions and pictures you see on your television and social media platforms are stimulating and encouraging you to think about vain imaginations. This may seem harmless. However, it is doing more damage than you think.

A vain image is an empty dream. Proverbs 12:11 says, *"Those who work their land will have plenty of food, but the one who chases empty dreams is not wise."* When you

envision vain visions and begin to chase the **IDEA** of those images it is an empty dream.

People who do this are unwise because it leads to nowhere. It is a waste of time that produces no results. Millions of people are chasing empty dreams by being seduced by visions, pictures and images on social media which is causing them to be ruled by the ideas of money.

Being **CONSUMED** by the ideas of how to make money, spend money and multiply money is a subtle introduction to being mastered by it. It's not wrong to think about money. It's **WRONG** to be **CONSUMED** by its ideas.

VAIN IMAGINATIONS LEAD YOU TO CONSUMPTION

God wants you to use your imagination in the right way. He wants you to think of things that are worthy of praise according to Philippians 4:8. Money is not worthy of

praise. If you believe it is, then money has become your master. You should only praise who you serve.

Money is a reward for solving a problem. It is a tool to use in order to achieve a goal. Do you celebrate when you receive money? Do you bloviate when money comes into your hands? Do you boast about how much money you have? If you can answer yes to any of these questions money is your master.

Protect your gateways. Your eyes, ears and mind are portals for images, pictures and visions. The ideas of money can easily seduce you if you do not protect and guard your actions. You can love God in your heart while **SERVING** money with your actions.
