

# MONEY IS YOUR MASTER

By: Fountain Hendricks

## Chapter 7: SELLING OUT

The term “selling out” applies when someone is moving up and they have chosen to turn their back on their race, community and ethnicity for the purpose of gaining money. History has taught us that this occurs on a regular basis.

There is nothing wrong with making more money. However, if you need to turn your back on your community, race and ethnicity that is a problem. If the person has the audacity to do this, money has become their master.

The stronghold of greed and selfishness causes a person to reject where they came from in exchange for something they desire. People can justify this all they want by trying to convince themselves why they did it. At

the end of the day they showed that money rules and controls them.

People who sell out have a for sale sign on their back. In other words, if they are paid enough money there is nothing they won't do to get that money. People like that are **SLAVES** to the dollar.

King Jesus is **NOT** their Lord. It doesn't matter what religion they claim. The term Lord signifies rulership and ownership. King Jesus cannot own the person who has chosen to worship money.

Mathew 6:24 says, "*No one can serve two masters. The person will hate one master and love the other, or will follow one master and refuse to follow the other. You cannot serve both God and worldly riches.*"

King Jesus wants to be your Lord and Savior. However, you have to **ALLOW** Him to do so. King Jesus is everyone's savior because He died for the world but

Lordship is different. What you have **CHOSEN TO  
SUBMIT TO** has become your Lord.

What gets your devotion? Money or King Jesus? Who gets more of your time? Money or King Jesus? What is your highest priority? Money or King Jesus? Your answer is not proven in what you say. It's **SHOWN** in how you **LIVE!**
